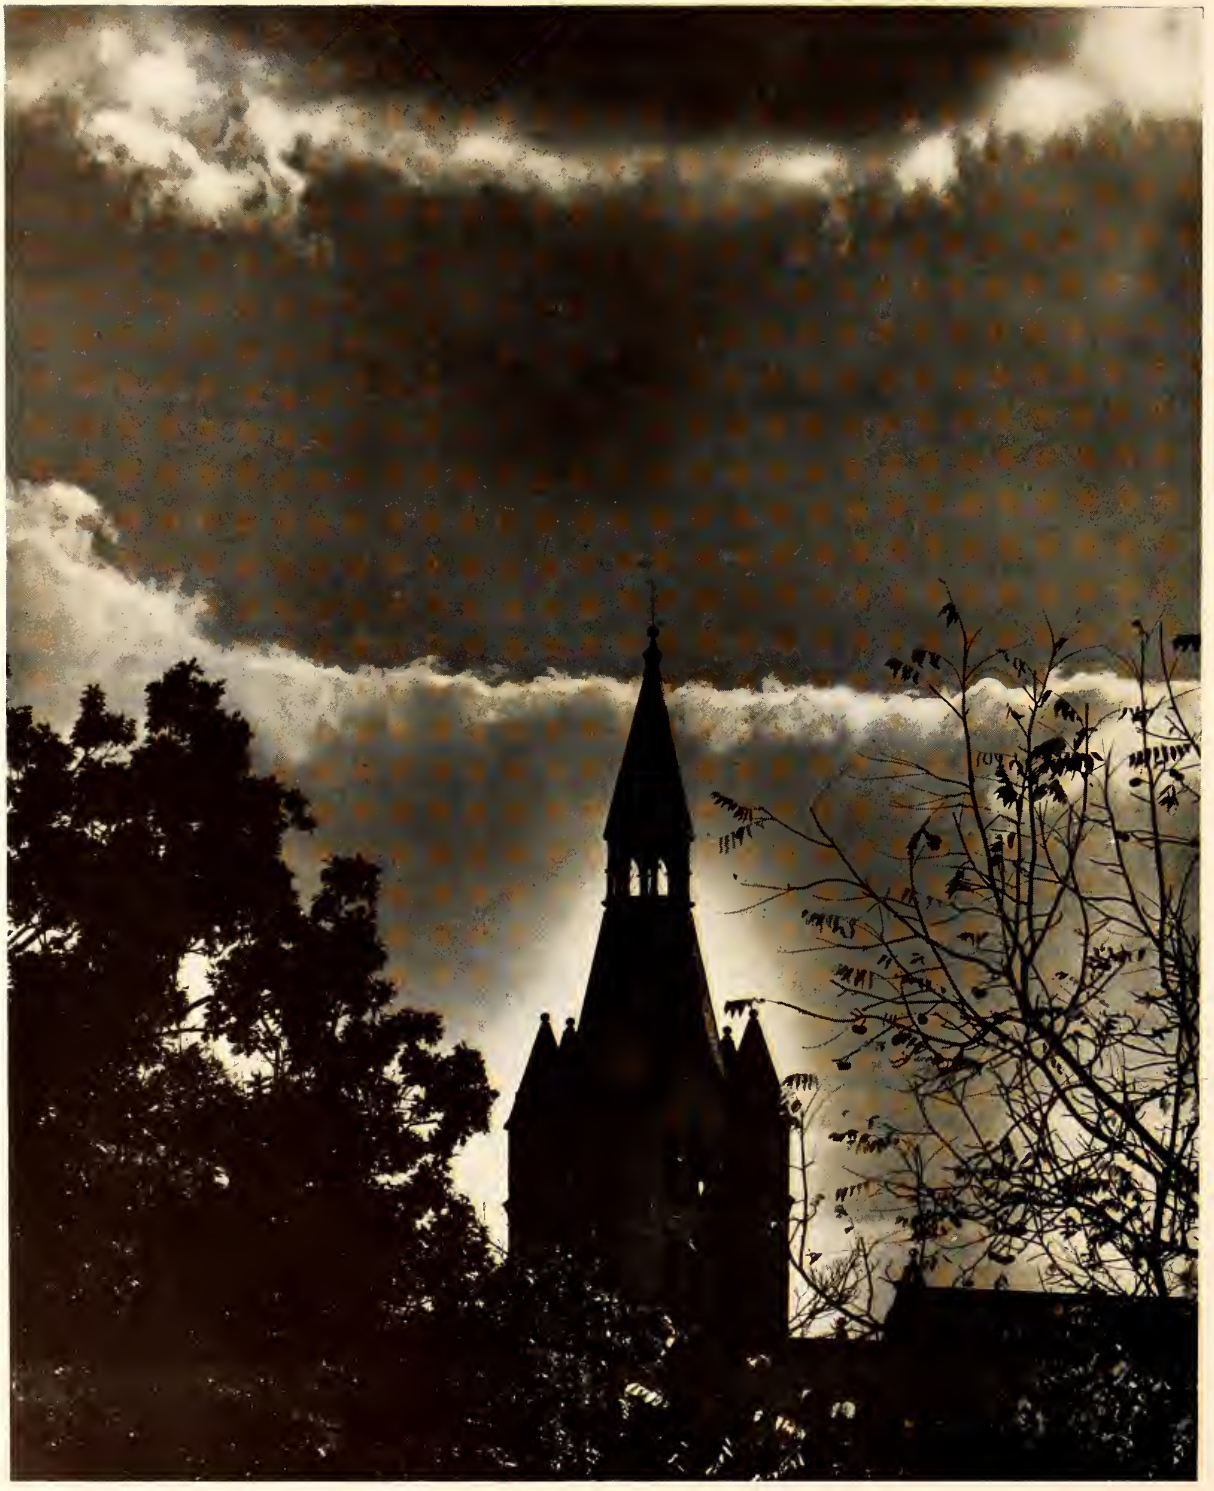
OUR COACH

The ol' man

as his players affectionately refer to him, coached our Ohio Conference championship football team to eight consecutive victories which is in itself enough to make him worthy of all the praise we could possibly give him. But not only did he produce a winning club, he also did it without a single subsidized player. Coach Stobbs has been at Wittenberg since 1929, and in that time he has won the warm regard of every man who has worked under him as well as the high esteem of other coaches all over the country. What would be a more fitting dedication for our yearbook, the purpose of which is to keep with us forever the memories of this year at Wittenberg, than to honor the man who made 1940-1941 one of most unforgettable years in our history,

COACH "BILL" STOBBS

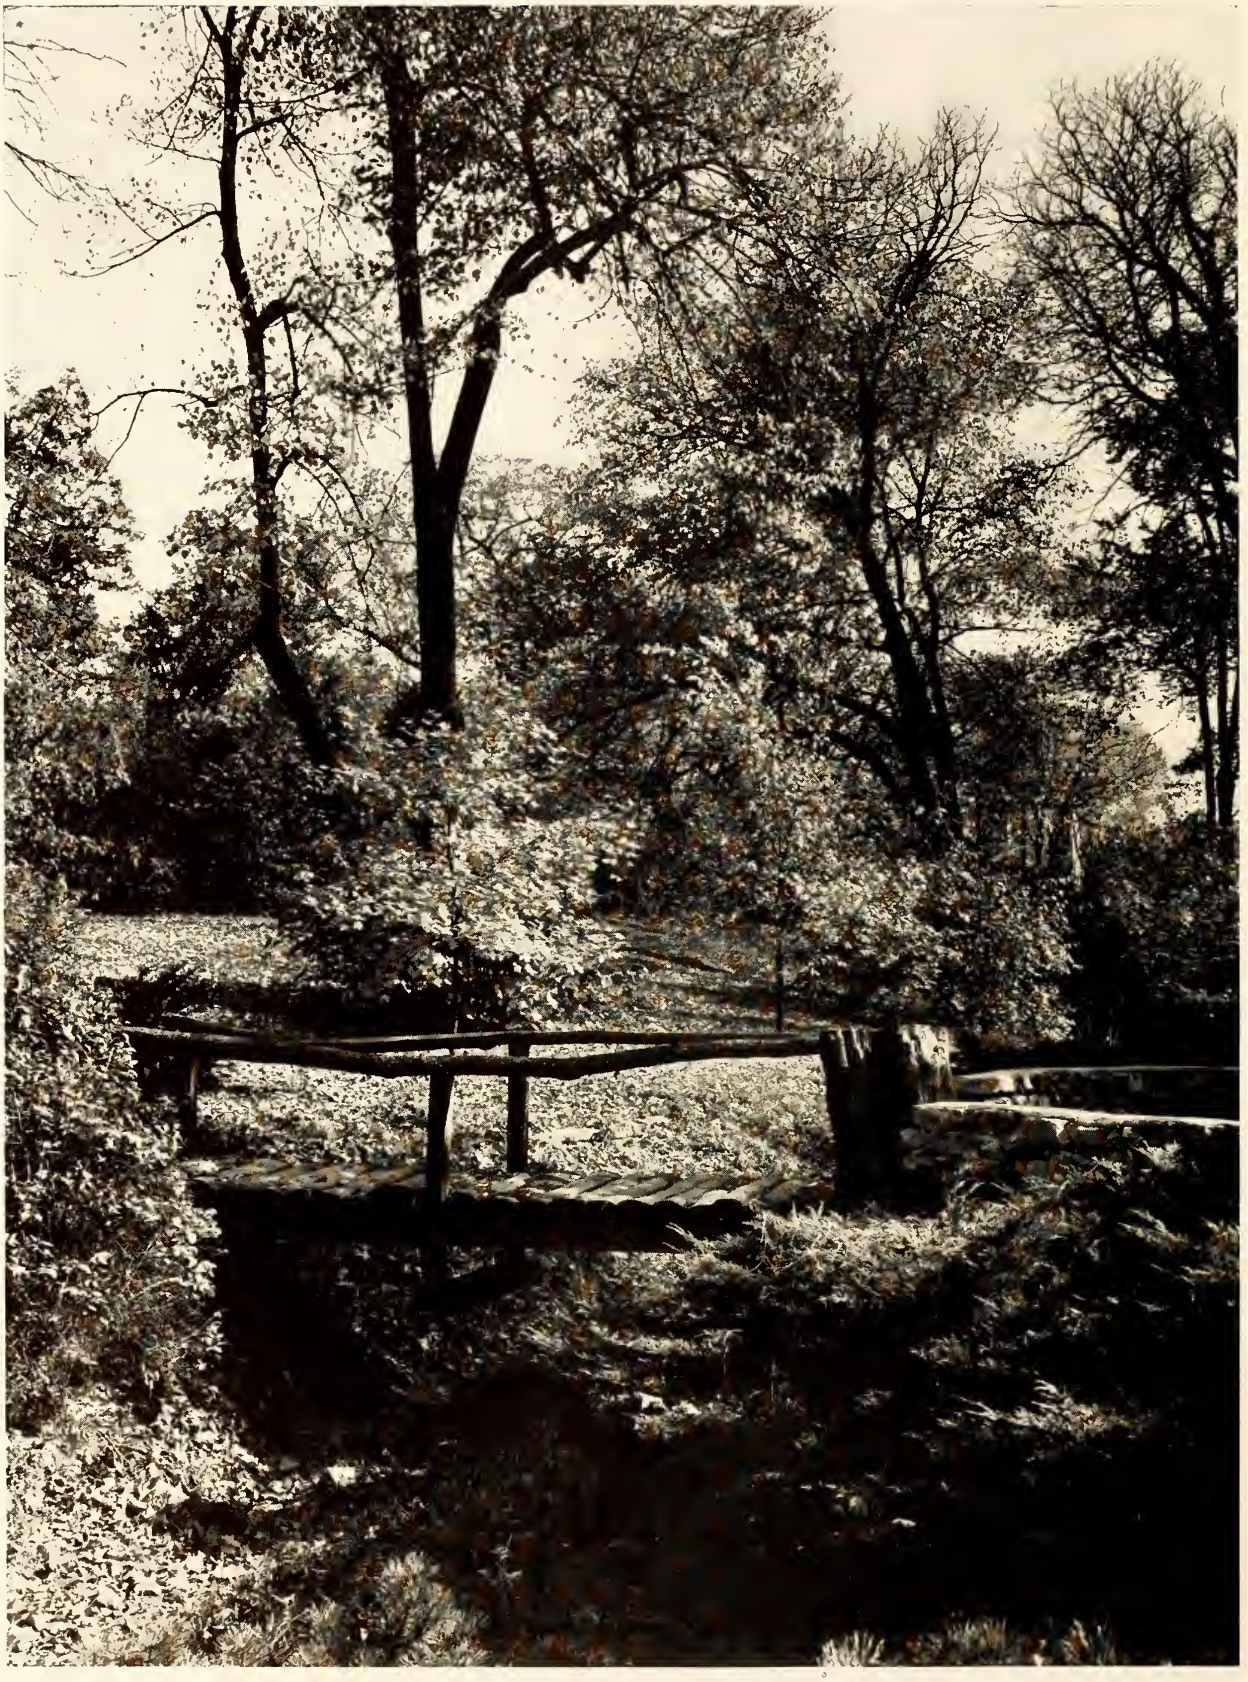
L O C A L E



RECITATION HALL—"Reci" and Myers Hall—the two oldest buildings on the campus . . . the buildings that hold the traditions of Wittenberg deep within their walls . . . the buildings that turn to reality everyone's dream of what a college should be like.

MYERS HALL

REMEMBER?.....



THE BRIDGE—How could any Wittenberger forget the bridge in the hollow? In the years to come, no matter how far from our Alma Mater our paths may take us, thoughts of the bridge will bring back tender recollections of promises made and dreams confessed.

A test tube, a lab, an experiment---KOCH

KOCH HALL—Memories of Freshman Orientation when we first learned what college was all about; long hours in the laboratories, whether we were making H_2S or testing reaction time; thoughts of the beautiful chords of the choir as it practiced three times a week: reminiscences of the hours spent working on an oration—all of these are a part of our remembrances of Koch Hall.

STARS MADE . . AND OBSERVED

WEAVER OBSERVATORY—The Health and Physical Education Building where our student stars are made, and the Weaver Observatory where some of us learned a little about the stars which most of us have studied only from a romanticist's point of view loom high in our memories of never-to-be-forgotten days at Wittenberg.

PRESIDENT
REES EDGAR TULLOSS

CHIEF FOR 21 YEARS

For twenty-one years Rees Edgar Tulloss has served as president of Wittenberg College. Under his progressive leadership our college has grown to its present respected position among colleges in America.

President Tulloss graduated from Wittenberg and Hamma Divinity School with the degrees of A.B. and B.D. He obtained his Ph.D. at Harvard and his D.D. from Lenoire-Rhyne. From Muhlenberg College he received his D.D. More important even than his degrees, however, is the love and admiration held deep in the hearts of every Wittenberger for "Our Chief."

MEET THE DEANS

DEAN CHARLES G. SHATZER, A.B., A.M., Sc.D.—beloved by all who have worked with him for his deep understanding of our problems and his farsighted advice when we need it. His cheerful philosophy and his congenial relationships with all of us in his capacity as Dean of the college for the past twenty-seven years have made Dean Shatzer a part of the lives of each of us.

DEAN B. H. PERSHING, Ph.D., D.D., Dean of Students—His calm, unbiased viewpoints have helped direct student attitudes at Wittenberg since 1926. His never-failing interest in the activities on the campus has been one of the most important factors in the operation of those aspects of college life outside the classroom.

DEAN RUTH IMMELL, A.M., Dean of Women—It is to Miss Immell that the girls at Wittenberg always turn when their problems get too difficult for them to solve themselves. The quiet graciousness of her life has been a constant example toward which we all should strive.

Their's has been a difficult task. They've entered class time after time with only a few students on hand or with the students sleepy from the night before, thinking of other things, or wishing they were sipping a coke at the "Barn," and yet they have defied circumstances and have taught us that which we ourselves have done little to obtain.

SENIOR OFFICERS

PRESIDENT.....ED CHATLAIN
VICE-PRESIDENT.....DENNIS SMITH
SECRETARY.....HELEN RICHARDS
TREASURER.....BETTY KEMP
SERGEANT-AT-ARMS.....NORMAN FOSTER

CLASS OF 1941

Four short years have passed—each one more quickly than the one previous. Each year has brought its own triumphs and defeats. Each year hopes and dreams have shrunk and have been realized and have finally resulted in wiser and broader aims in life. The Seniors are not looking toward a spectacular future but merely hope to know the joy of having filled a place among others' lives. They have known the thrills of pin-planting and the thrills in receiving special honors for accomplishments and in sharing joys with others. They leave deep vacancies in athletics, in campus organizations, and in social groups and hope to fill new vacancies themselves next year. They enjoy being looked up to by underclassmen and marvel at the childishness of

freshmen. They begin to sit back and let others carry on. They come to the realization that this is their last year and after college—what? Hoping that they are prepared to earn a living and feeling that they have had enough "hard knocks" to face anything that could happen, they look at the world erect and smiling. Experience has taught them that it is impossible to get "something for nothing." In retrospection they feel that their diplomas were costly things, but conclude that it was money well spent, considering the results. As they leave the campus, part of each one of them remains as a goal for which we shall strive.

MOST REPRESENTATIVE--

BETTY FRENCH

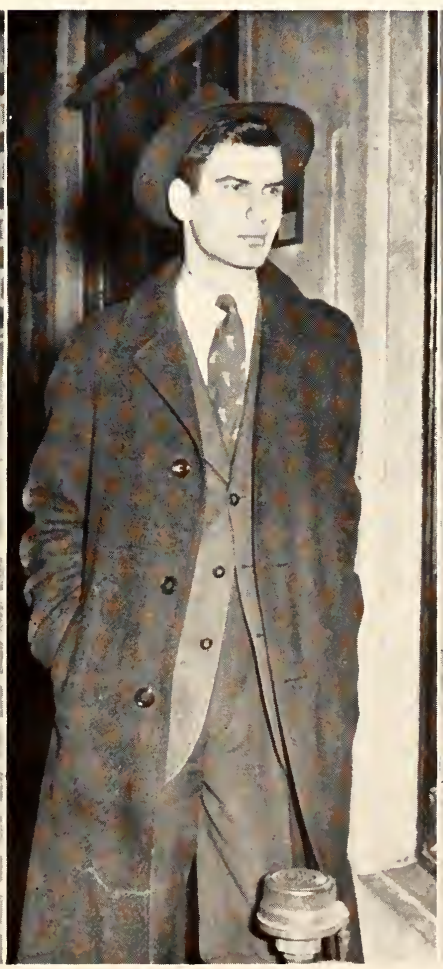
A sports woman through and through, Betty has shown in four years her superiority in all sports. However, not to belittle her other activities, we find her "prexy" of the Alpha Delt's as well as "tops" in all her college endeavors.

JANET SAMUELSON

Janet started out on the right foot when she made the freshman girl's honorary, and she's been gathering honors and filling offices ever since. Yet of all her activities, athletics stands uppermost. Her constant attitude is exemplified by her winning smile.

EUGENE HECKATHORN

Having the reputation of successfully upholding his side in all arguments, Gene has excelled in speech and radio broadcasting while in school. Most admirable of his efforts while at Wittenberg has been his constant desire to work for the betterment of our school.



BETTY BAUMGARTNER

On the stage or off we have all found "Baumie" to be an outstanding girl. Her charming smile as well as her sincerity has permeated our campus these four years. Vacancies left by such girls as she will not be easily filled.

JUNIOR CLASS

Men and women soon to have three years of college behind them, they feel that they are "tops" on the campus. They think now of all they didn't do their first three years and of the short time ahead before they will be "alums" coming back occasionally to get a glimpse of a new college generation. Willing to give advice from their great store of knowledge to younger students, they feel as if they are veterans in campus life. They are proud of themselves in knowing what annual affairs have taken place before and will happen again and enjoy as much as ever the Homecoming, W.W.L., Pan-Hellenic, Interfraternity, and all-college dances, as well as, fraternity and sorority dances. They take offices in clubs, honoraries, and social groups and control poli-

tical affairs. They think more often of graduation and begin to realize the real worth of college. They learn more about people through associations with so many different types, but become more independent of others because of necessity. They have new appreciations and a point of view different and more startling than they have ever had before. They have become more considerate and dependable during all these years, but their attainments have not reached a climax yet. Anticipating their senior year with anxiety and yet with regret because it will be their last year, they resolve to make it their best year yet in college.

MOST REPRESENTATIVE

ARCHIE ALBRIGHT

A wave, smile, and a cheery word as well as an unsurpassed determination to succeed describe the "chap" below. Possessing a natural leadership ability and recognized as one of "The" men on the campus, Arch holds our deep admiration.

DON ENDTER

Radiating cheerfulness which is only surpassed by his tall stories, Don has had the good of Wittenberg and its students at heart in his endeavors. Hoping for better Wittenberger support in future years, he desires to give what he has to the cause.

PEG HADDE

Sweetness combined with dignity, reserve combined with friendliness, and poise combined with charm make her one of our best. Refusing to rest on her good laurels, she is constantly setting up new frontiers for her efforts. We respect her for all that she is.

HENRY COOK

An excellent example of a campus activity man, "Hank," is one of the prize catches of "Figi" land. Even though his pre-med course has called for long hours, he has deservingly acquired the distinction of being one of the BMOC's.

SOPHOMORE CLASS

The "sophs" began their second year with a feeling of satisfaction and pride for having successfully completed one year of college. Now a firmly established part of the campus, they began to participate in activities and incurred new responsibilities. Realizing that life will continue after college, they groped around desperately to find the right career for themselves—changing courses time after time. Admiring campus leaders and aspiring to follow in the juniors' and seniors' footprints, they enjoyed Wittenberg more than ever as they gained self-confidence. They indulged in many "bull sessions" in which they delighted in supposedly enlightening the "frosh" about the facts of life and less important matters. Even though they remembered their own freshman days and their constant struggle, they, nevertheless, laughed at instead of sympathizing with the freshman. The "sophs"

began thinking of the more serious things in life, but also devised more ways of having fun. They entirely forgot that they ever went to high school—it was so long ago. During the year potential activities men and women started their careers. Much more of their time was spent in dating and less time in studying, however somehow they kept their point averages up. They changed considerably as they acquired new interests and broader conceptions of life. The day came when they refused to be shoved around any more, and took on an air of independence. However, towards the end of the year they seemed to have changed somewhat from being falsely sophisticated youngsters to more genuinely poised and gracious people. We are anxiously awaiting their records for 1942.

MOST REPRESENTATIVE

EARL FISHER

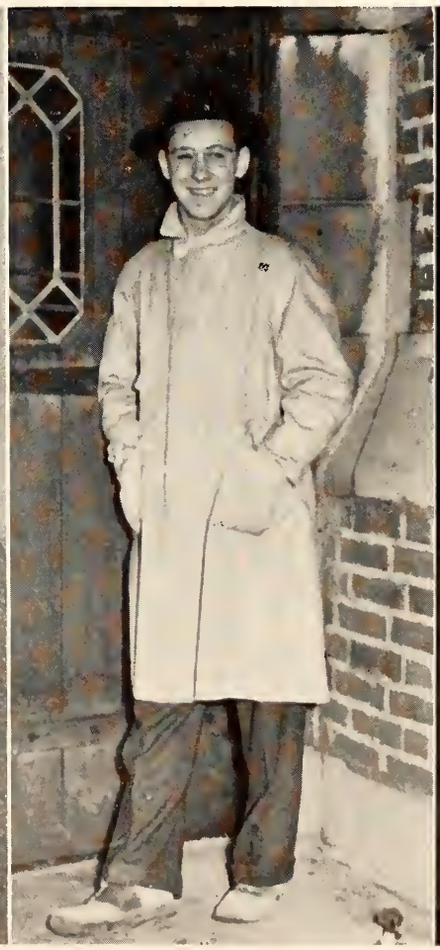
As we look at Earl's picture below, all we can say is, "that's 'Fish'." More in praise of him would be superfluous. We must mention, though, his superb basketball ability and how much of a joy it has been to all of us.

JANE McCROBA

No one could better represent the music school and the Sophomore class among our representative students than Jane. Hailing from the girls up Fountain way, she has won the entire campus with her spontaneous laugh and good humor.

ROBERT BOGER

Dependability based upon an energetic personality has resulted in Bob's popularity and success on the campus. He has a constant desire to "get out and do things," and we'll wager that this determination will carry him far up the ladder.



FLORA MILLER

It was inevitable that Flora would be among the "outstanders" because she has captured the friendship and admiration of us all. Her engaging smile and her ability have won for her a permanent place at the top.

FRESHMAN CLASS

The "frosh" came to school feeling like lost strangers who didn't belong any place except way back home. They would have turned about, too, and gone home with only slight persuasion, but fortunately most of them stayed. After a while they were too busy to be homesick—days being filled with registration, new classes, and hundreds of new faces. Then came rushing season during which they began to assume airs of exaggerated importance. They lost the airs after pledging, though, when the newly-pledged realized that a freshman's life isn't at all what it started out to be. Ideas and previously held conceptions of college changed when they started "honest-to-goodness" studying for finals. Those who "couldn't take it" dropped out at semesters. Those who stayed began to channel their courses and their activities. Everything that happened was exciting and different for them. They

had an optimistic philosophy of their future especially as they became more adjusted to college. They began to be a more integral part of Wittenberg as the year rolled on. Then classes became dull, and the new students began to lack interest. Campus life was dying and each day became more monotonous than the one previous. They were beginning to wonder why they came to college, when suddenly spring came, and they experienced this season at Wittenberg for the first time—spring, which brought new life and hope as well as a most beautiful campus. At the end of their first year they have regrets at leaving all the fun and hard work that together constitutes college. Now they have a more accurate conception of collegiate life, and also a more practical outlook for the far-distant life after graduation.

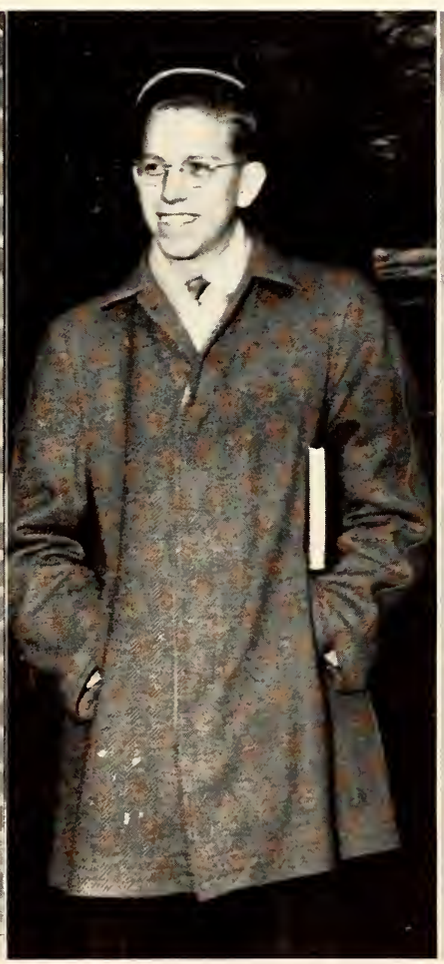
MOST REPRESENTATIVE

STANLEY SCHMUCKER

Being a gentleman sincere and friendly, Stan appears to be at all times what he really is. He says he likes people and wants to know them better. He should have no trouble in accomplishing his purpose.
Phi Psi's and Wittenberg.

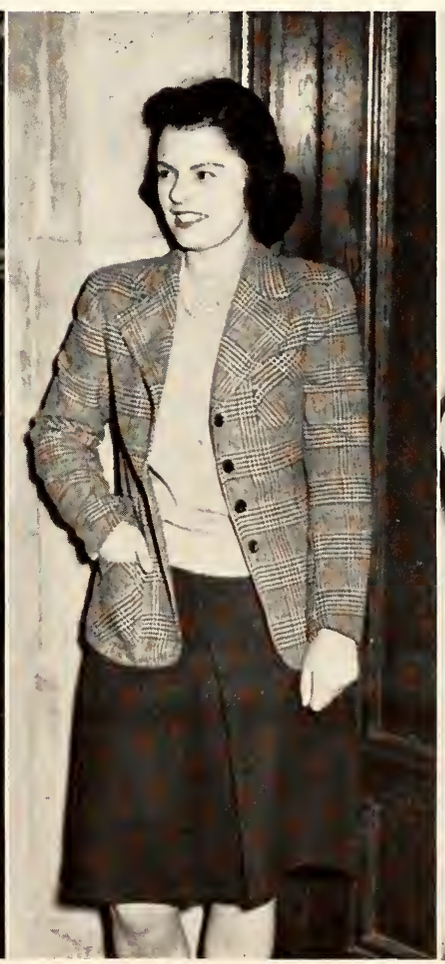
GEORGE TRENT

A wonderful sense of humor mingled with quiet dignity and poise, time for everything, and an ability to attain his goals make George one of the friendliest and most interesting students in our midst. He should do much for the



MARGUERITE HOLKESVIG

An extremely charming girl indeed is Marguerite. While only on our campus for less than a year, yet her gracefulness, poise, and captivating personality have chiseled a niche for her here. After her years in school we know all will say, "well done, 'Holkie'."



DALE SEIDERS

Already high in the activities aspect of Wittenberg, Dale really rates with all the "guys and gals." An energetic and captivating "hello" is always on his lips when he meets any of us, and we like him for that, too.

During the past year, its twenty-seventh of continuous service, The Torch, campus weekly, crusaded for campus unity. In constant editorials The Torch attempted to lessen the influence of disunifying organizations which tended to arouse class consciousness and ill feelings on the campus.

Hand in hand with the campaign for unity was an effort to do away with crooked politics in campus elections. Primarily interested in removing publication appointments from campus politics, The Torch also tried to obtain fairer class elections.

Stress was placed on Student opinion. Students were encouraged to write letters to the editor for publication. A "Letter to the Editor" column was instituted which proved popular. It added more reader-appeal to The Torch.

Prof. K. G. Lind in his capacity as advisor again proved an invaluable aid. The Torch feels greatly indebted to him.

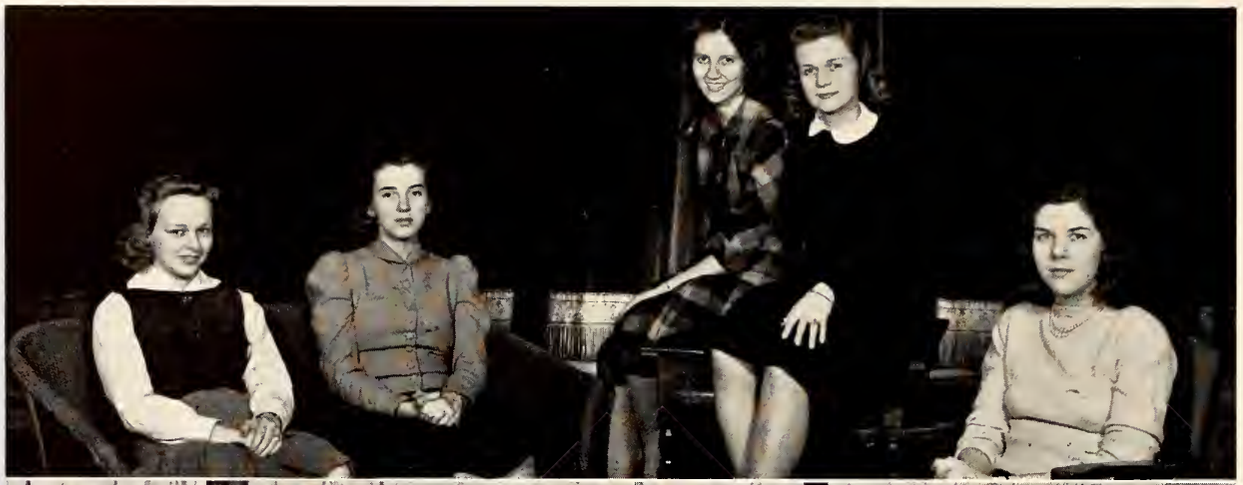
"Get out and do things and you'll make the 'dirt column'," is the promise made to all students by the Witt. One cannot file his fingernails without the Witt editors knowing about it, but then we all enjoy reading about ourselves, don't we? A new creation of the humor magazine this year was "The Half-Dead Tort" which was a take-off on the histories and present activities of the various fraternities and sororities on the campus. Throughout the entire year the Witt ran the course of all other Witts by letting everyone know what everyone was doing—publicly or privately.

ORGANIZATIONS



ARROW AND MASK

President	*Vice-President*	*Treasurer*	*Advisor*
Marjorie Laughlin	Betty Baumgartner	Janet Samuelson	Dean Ruth Immell

Other Members

Alice Hepner — Margaret Pershing

A spring day, five or six senior women masked in white, and a breathless audience gathered by the side of "Reci" anxiously awaiting the "tapping" of our outstanding junior women will always be symbolic of Arrow and Mask. Chosen on the basis of character, leadership, scholarship, and service, the members are exemplary of excellent curricular as well as extra-curricular activity. Pledges are chosen during their junior year, and at the initiation banquet, the seniors give their posts to the new junior members. Emphasizing scholarship, the honorary each year presents a loving cup to the freshman girl with the highest scholastic average for the first semester's work.

BLUE KEY

President	*Vice-President*	*Secretary*
Richard Chesrown	Norman Foster	Don Hoffman

Other Members

John Johnson — Eugene Heckathorn
Wayne Martin — Chester Quick
Harvey Sorenson — William Baker

Having as its purpose the discussion of campus problems and the recommendation of solutions for these problems, Blue Key is held in esteem by all students. National in scope, it is an honorary composed of senior men who are superior in character, leadership, scholarship and in activities on the campus. Those who meet these requirements are chosen for membership usually in the spring of their junior year. With E. A. Jensen, Dean Shatzer, and President Tulloss as honorary members, Blue Key holds meetings once a month. Most men on the campus hold Blue Key as the ultimate attainment of under-graduate years.

SKULL AND CHAIN

Members

John Orebaugh	Don Hoffman	Ralph Pease
Wayne Martin	Richard Chesrown	Harvey Sorenson
	Ed Chatlain	

As the Senior men's honorary, Skull and Chain has as its purpose the promotion of campus improvements with a greater Wittenberg as its goal. The honorary collaborates with the faculty and the administration in matters of college betterment. High are the qualifications for membership—ethical character, leadership, high scholarship, and activities on the campus. No more than eight or less than three Junior men are selected to constitute the membership for the ensuing year. Honorary members are President Rees Edgar Tulloss and Dean C. G. Shatzer. Remembrance of the Skull and Chain on "tap" days is one of the memories of our college days.

PICK AND PEN

Other Members

President			*Secretary-Treasurer*
Archie Albright	Matthew Wiencke	Henry Cook	Allan Kuusisto
	Paul Keck	Don Endter	

Setting forth as its purpose the providing of an incentive for sophomore men to attain high scholarship, to display great interest in college activities, to exercise leadership along worthy channels, and to develop character, Pick and Pen is the goal of every second year man. Organized in 1923, the honorary never has had more than seven men among its ranks, consequently the total membership is only ninety-nine at present. During a chapel period in the second week of May of each year, our Sophomore men congregate near "Reci" in hopes of being among the few "tapped" men—a joy to those who are taken in, a sorrow for those who are not.

Historian
Paul Guerin

Requiring a B average in fourteen hours of Biology, Tri Beta, as the honorary is called, has proved to be a very exclusive fraternity. Consequently the membership has always been small. The group attempts to provoke a love of nature and to stimulate the students to higher Biology academic standings. Composed of thirty-five chapters, the fraternity has spread to colleges and universities throughout the entire country. The Xi chapter is the one we know here at Wittenberg. Under the guidance of Dr. Beaver, head of the Biology department the members have profited greatly from the fraternity.

Cruciable Correspondence
John Orebaugh

Setting itself up as the Honorary of Honoraries, Theta Chi Delta concerns itself with the stimulation and fostering of chemical knowledge. Outstanding in the year's activity was the formation of a Freshman Chemistry Club. Also during the year numerous chemistry contests were sponsored. Throughout the nine months several lectures by outstanding chemists were heard by the members. An open house featuring educational, chemical exhibits, lecture demonstrations, and amusement with chemicals was met with wide acclamation of the campus.

PSI CHI

President
Mary Chambers

Vice-President and Secretary
Almina Knepper

Treasurer
Eleuthera Miller

As its name suggests, Psi Chi is a Psychology honorary devoted to the advancement of the science of Psychology and the encouragement, stimulation, and maintenance of high scholarship in all academic fields. To be eligible for membership a student must have a B average in Psychology and a C average in all other subjects. Founded in 1927 as one of the charter chapters, the Wittenberg chapter has often sponsored open houses in Koch Hall for the education and interest of all college students. Dr. William Schwarzbek, Dr. Maurice Neuberg, and Dr. Wilbur West are the faculty advisors.

ORGANIZATIONS

PAN-HELLENIC COUNCIL

President	*Vice-President*	*Secretary*	*Treasurer*
Betty French	Margaret Hadde	Kathryn Garman	Phyllis Lautner

Organized in 1921 on our campus, the Pan-Hellenic Council has endeavered to foster a spirit of comradeship and friendly relations among the sororities. The Council is composed of the six Greek letter sororities and the personnel is made up of two representatives from each group. In its monthly meetings the Council plans its work. The Council is active also in many social activities. The sponsoring of a formal dance, an annual intersorority bridge tournament, and numerous exchange dinners were among the highlights of the 1941 activities.

WITTENBERG WOMENS LEAGUE

President	*Vice-President*	*Secretary*	*Treasurer*
Janet Samuelson	Betty Snyder	Betty French	Mary Lou Nickerson

Considering the social events of the college years, all students are in agreement that the W.W.L. fall and spring formals are "tops." Both of these dances are annual W.W.L. social functions. Along with them the organization sponsors an annual "mass meeting." At the beginning of each college year a garden party is held by W.W.L. for the new students as well as the upperclassmen. Setting up as its aim the creation of more friendly relations among the different groups and students on the campus, W.W.L. has done much in building a greater Wittenberg.

INTERFRATERNITY COUNCIL

President	*Vice-President*	*Secretary*	*Treasurer*
Don Hoffman	Wayne Martin	Ted Benko	William Miller

Organized in 1930 to bring about closer cooperation and friendlier relations among the campus fraternities, Interfraternity Council has attempted by many endeavors to break down fraternity barriers. The council has built up an interest in scholarship on the campus by awarding yearly a loving cup to the fraternity with the highest scholarship average. Also included in their annual activities are an annual Interfraternity dance and an Interfraternity bridge tournament. In the past, the Council has promoted an annual Christmas formal. Each Greek letter fraternity is represented in the Council by a senior and a junior member. The members today hope that fraternity men at Wittenberg will in the future strive for closer unity to better our school. The induction ceremony for new members is the real tradition of the Council.

ORGANIZATIONS

Richard Finkel	Hedwig Heck	Ray Schueller	Phyllis Lautner	Ann Case

To coordinate the journalistic activities on the campus and to promote student accuracy in the news, as well as to foster intellectuality and recognition of individual opinions has been the task of Pi Delta Epsilon. The organization has attempted to remove all journalistic and managerial positions from politics, and its meetings act as a clearing house for editorial policies. The fraternity was founded originally as the Scroll and Quill Club of Wittenberg, but in 1930 a national charter from Pi Delta Epsilon was obtained. Through the efforts of Professor K. G. Lind and Dr. E. O. Weaver, the organization has maintained its effectiveness since its existence.

To further educate men and women students concerning the business world and to hold business ideals high is the two-fold purpose of this business honorary. The local chapter each year sponsors numerous field trips through some of Springfield's industrial plants as well as other business establishments. Requirements for membership have been placed high so that membership is held at a premium. For initiation one must have fourteen hours in business courses with a B average and must be currently carrying four hours in business courses. Dr. D. T. Krauss is the faculty sponsor.

KAPPA PHI KAPPA

President	*Vice-President*	*Secretary*	*Historian*
Matthew Portz	Howard Brown	Kennard Koons	Richard Caton

The local chapter is the Eta chapter of the national educational honorary fraternity, Kappa Phi Kappa. Promoting an interest in education, the local chapter holds two open meetings each year so that the students interested in education may hear outside speakers talk concerning education as a profession. The national fraternity was founded in 1922 and has required a high scholarship average in education courses for membership. Interviews also are planned by the organization to aid many students in studying education while at college.

This freshman scholastic honorary is devoted to the purpose of stimulating scholarship among men. The honor of membership is granted to freshman men who have received a point average of 3.5 for the first semester or an average of 3.5 for both semesters of their freshman year. With the above average a member may retain his membership throughout his entire four years in school. Dr. Pershing, faculty advisor, has been the "connecting link" in the organization at Wittenberg as the constituency has changed from time to time.

Among scholastic honoraries on the campus. Alpha Lambda Delta is the newest. The requirement for membership is that a freshman woman receive a 3.5 average for the first semester or an average of 3.5 for the first two semesters of her first year. Its purpose as is shown by the qualification for membership in Alpha Lambda Delta is to stimulate scholarship among freshman women. Guiding the activities of the organization is Dean Ruth Immell.

"Say, what about that spirit?" may very well be the words you might hear from any Boost "W" member. Devoted to the purpose of maintaining Wittenberg traditions and keeping student spirit alive, Boost "W" has led the students in showing the true Wittenberg spirit. In order to accomplish its purpose, Boost "W" sponsors several dances during the course of each year, spring and fall elections, and a number of convocation programs. With our football team being Ohio Conference champions this year, the work of the association was somewhat lighter, but it performed its duties well.

ORGANIZATIONS

LAMBDA MU

President Matthew Wiencke | *Vice-President* Herman Andres | *Secretary* Dorotha Mae Leonard | *Treasurer* Francis Wagschal

The aim of this organization is a better interpretation and appreciation of the classics. Qualifications for membership are eight hours of B in Greek or Latin, a 2.00 general average, and sufficient funds to meet the initiation fee. To fulfill their aim, the organization sponsors each year an essay contest written on classical themes. Also among their activities is the publication of their magazine, the "Praeconium," and the holding of an annual spring banquet. In times when so many of us are lost in the hub-bub of temporary "stuff" it is encouraging to see some students interested in the lasting works of great men.

DELTA PHI ALPHA

President Margaret Fleischer | *Vice-President* Edna Weygandt | *Secretary-Treasurer* Kenneth Snyder

The Nu chapter at Wittenberg is one of the many chapters of the national German fraternity, Delta Phi Alpha. The chief requirement for membership is a B average in two years of college German. The desire to stimulate interest in the customs and language of German is the motivating force behind this organization. Those in the local chapter as well as those students who have had only a few hours of German here at Wittenberg recognize the superb work of Miss Mower in the German department throughout the past years. To her our students pay tribute.

HOME ECONOMICS CLUB

President Mary Jean Leedy | *Secretary* Betty Ruch | *Treasurer* Mary Lou Nickerson

"Can you cook?" is such a common question asked today of young women, and the answer that our women students belonging to this club will invariably give is "yes." Their answer is a true one, too, because the purpose of the organization is to create a greater interest in the field of Home Economics. Also since the requirement for membership is either a major or minor in Home Economics, the members usually know "how it is done." The club holds monthly meetings and engages in numerous home projects. If your girl is in the picture, you needn't worry, fellows, as to whether she can cook or not.

ORGANIZATIONS

Y. W. C. A.

President	*Vice-President*	*Secretary*	*Treasurer*
Alice Hepner	Betty Baumgartner	Jayne Hires	Margaret Pershing

The theme for this year has been "Toward Maturity." During the year the organization promoted panel discussions, talks by professors and outside speakers, and numerous social affairs. Every third Friday the Y.W. has charge of the Chapel program. This year the members have actively participated in welfare work. Parties for the Settlement House children as well as combined work with the Springfield Girl Reserves have been among the club's activities. A close relationship is maintained with the city Y.W.C.A. for the promotion of educational and social work in this locality.

Y. M. C. A.

President	*Vice-President*	*Secretary*	*Treasurer*
Harvey Sorenson	William Miller	Dennis Smith	Sydney Greiner

Boasting one of the longest successful records of organizations on the campus, the Y.M.C.A. has since 1885 been active in promoting good fellowship and Christian endeavors. Y.M.C.A.'rs help each other preserve the Christian ideals which they held upon their arrival at Wittenberg. Furthermore the organization is striving constantly to enlist others for Christ and the church. The college "Y" throughout this year provided speakers for various organizations in town, especially those of the Springfield Y.M.C.A. Also included in their activities were the planning of numerous chapel programs as well as one interesting convocation program on "Music 10,000 Years Ago."

LUTHERAN STUDENT ASSOCIATION

President	*Vice-President*	*Secretary*	*Treasurer*
Stephen Bendes	Margaret Pershing	Janice Robinson	Robert Marshall

The Wittenberg chapter of L.S.A. founded in 1927 as a small organization has grown rapidly until now it is one of the outstanding groups on the campus. Many and varied are the activities of L.S.A. Chapel services are conducted by the members, and daily devotional meetings are sponsored in the dormitories during the seasons of Advent and Lent. The support of Foreign Mission work and of a student of India in one of the American colleges are two more admirable activities of L.S.A. Six times yearly the local chapter—Francis Wagschal as editor this year—publishes its magazine, "Fiat Lux."

Tau Kappa Alpha is an honorary forensic fraternity which was founded at Butler College in 1908 and now has chapters in more than 50 colleges and universities in the United States. Varsity debaters and orators are eligible for membership and it offers a strong incentive for undergraduates to develop whatever talents they have in forensic work. Each year one of the outstanding functions of the fraternity is its annual public speaking banquet for all students who during the course of the year were active in speech work. Every spring the fraternity sponsors a high school forensic contest with competition in interpretive reading, oratory, declamation and extemporaneous speaking to induce good high school speakers to come to Wittenberg.

With Professor Brees and Dr. Kelley coaching our orators on to better speaking, the orators for Wittenberg this year held intact the high regard with which other colleges throughout the country hold for Wittenberg's speech department. In competition John McCulloch represented Wittenberg in the "Old Line" state oratorical contest in February with the oration "THE NEED FOR ADVENTUROUS THINKING." Wittenberg was also represented in the Women's Conference Interpretive Reading and Oratory contest and in the State Inter-collegiate Peace contest. In oratory the students choose their topics from the fields of dope peddling, crime prevention, politics, world problems, and many other fields. Proving the worth of the speech department, Professor Brees states that "most of the people who have entered into speech activities while at Wittenberg upon graduation seem to advance rapidly in their fields of endeavor."

Having many active chapters in the United States, Theta Alpha Phi has as its aim the promotion of the cause and the perpetuation of a fine type of drama. For membership a student must have displayed some outstanding dramatic achievements as well as possession of an outstanding scholarship average. The two prominent activities during the year are the presentation of a dramatic production and the sponsoring of "Varsity Night." The classic saying "the play's the thing" could very well be the motto of this dramatic fraternity.

ORGANIZATIONS

SIGMA ALPHA IOTA

President	*Vice-President*	*Secretary*	*Treasurer*
Betty Evans	Jane Voelker	Ada Margret Kommel	Melvene Schumacker

"To the sign of the baton" we find Sigma Alpha Iota, the oldest national honorary music sorority, responding. It was founded at the University of Michigan in 1903, and the chapter at Wittenberg has been given the Greek letter name, Alpha Delta. The sorority requires that its members have exceptional musical interest and ability. The organization is devoted to the purpose of bringing about a closer relationship among women pursuing some phase of music as a profession. Throughout this school year at Wittenberg the local chapter presented many musical programs for the appreciation of all the college students and faculty.

SHIFTER'S CLUB

If only each one of us had the "right attitude" we could all belong to this mysterious organization because it is one of the few organizations on the campus open to both men and women. In his college days Dr. Barker was a Shifter, and consequently when he came to Wittenberg, he started a chapter here. The only requirement to be among the select few is that one must definitely have the "right attitude." Many outsiders have advanced definitions of what the unknown attitude is, but in vain, for the members silently continue their social affairs unhampered by such supposed expositions. Do you want a horse blanket pin? Just ask the Shifter who owns one for his.

PHI MU ALPHA SINFONIA

President	*Vice-President*	*Secretary*	*Treasurer*
Richard Reichhard	Robert Campbell	Dennis Smith	Robert Kline

To advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members and to encourage faithfulness to the Alma Mater is the admirable purpose set forth by this national men's music honorary fraternity. The Alpha Tau chapter of Phi Mu Alpha was founded at Wittenberg in 1927 with just five charter members, but today its influence is realized throughout this entire locality. Annually the organization sponsors an interfraternity sing and presents an annual concert. Also the fraternity brings outstanding musicians to the campus for the music lovers at Wittenberg.

ORGANIZATIONS

RIFLE CLUB

President Clark Garber

Secretary and Instructor Dr. Barker

Treasurer Louis Pavlatos

Executive Officer Milton Lauver

Founded in 1936 for the enjoyment and improvement of skills in gun craftsmanship, the Rifle Club is a unique organization on Wittenberg's campus. Membership is open to anyone interested in gun craft. During its four year existence, the club has promoted many and closely contested intramural and intercollegiate matches. A "frosh" club has been organized also for freshmen not eligible for intercollegiate matches. Probably the most attractive feature of the club is the fact that the United States Government pays for all ammunition used throughout the entirety of each year. So watch out, brother, when one of the members shoulders a gun.

"W" CLUB

President Richard Bair

Vice-President Kennard Koons

Secretary Howard Milligan

Treasurer Charles Kimberly

The man on the street is of the opinion that there is an abundance of glory accompanying the playing of each sport, and yet the man on the gridiron, hardwood, track, diamond, court, and in the pool puts out much more than he receives in honors. That is one of the reasons the "W" Club was founded—to recognize the fellows who do so much to keep the spirit of Wittenberg alive in the hearts of her students. Along with J. B. Van Why there came to Wittenberg a few years ago many ideas of his which have resulted in numerous traditions which, it is evident, will live. The "W" Club is one of his ideas, and so to him and to our boys, we, the students, raise high our voices in praise.

WOMEN'S ATHLETIC ASSOCIATION

President Betty French

Vice-President Givah Wisler

Secretary Hedwig Heck

Treasurer Helen Richards

Historian Rachel Bair

Social Secretary Marge Simon

The Women's Athletic Association, as its name suggests, was organized for the women on the campus who are vitally interested in sports. The requirement for membership is that a girl must pass her first semester of physical education and by so doing totalled one hundred points in some sport according to the grading system of the physical education department. W.A.A. is the originator of many wholesome, recreational, and educational girls' athletic activities on our campus, and for their efforts in these endeavors we should commend them.

ORGANIZATIONS

WOMEN'S VARSITY DEBATE

Debating in twenty pre-tournament debates and twenty-four tournament clashes, the women's varsity squad kept the platforms sizzling during the months of November and December. The girls debated Capital, Earlham, Ohio Northern, Ohio Wesleyan, Ohio University in the inter-school debates. On December thirteenth and fourteenth they took third place in Class A competition and second place in Class B competion in the Ohio Women's Intercollegiate Debate Conference tournament at Capital University.

MEN'S VARSITY DEBATE

A small but progressive squad of men displayed the already recognized debating prowess of Wittenberg in twenty-two pre-tournament debates and thirty-six tournament debates. The speech giants debated Illinois Wesleyan, Otterbein, Capital, Ohio University, Earlham, and Anderson in inter-school debates. Dr. Kelley sent a team to the Manchester-Huntington debate tournament in Indiana, where the debaters came off in the upper one-tenth of sixty-eight teams. Closing the season the boys competed in the state debate tournament which was held at Capital University.

WOMEN'S FIRST YEAR DEBATE

No less gratifying were the accomplishments of the freshman women's debate squad which along with the freshman men's squad debated Earlham, Ohio Wesleyan, Denison, Ohio University, Capital, Kenyon, and Western Reserve and also participated in the Ohio College First-Year Debate Conference at Ohio Wesleyan University. We are looking forward to next year when these debaters will be on the varsity squad. We know that they will continue the records already set by Wittenberg debaters.

MEN'S FIRST YEAR DEBATE

The debate yearlings proved that they would be eligible for varsity debate next year by meeting Earlham, Ohio Wesleyan, Denison, Ohio University, Capital, Kenyon, and Western Reserve in pre-tournament debates and by successfully defending their respective sides of the question "Resolved: that the powers of the Federal Government should be increased." At Ohio Wesleyan on April nineteenth the freshman squads, men and women debated in the Ohio College First-Year Debate Conference, of which Dr. Kelley is the president, and upheld the constant debate threat of Wittenberg.

MUSICAL ORGANIZATIONS

A CAPELLA CHOIR

John Thomas Williams, *Director*

The Wittenberg A Capella Choir has spent another successful year in fulfilling the purpose of its organization—that of studying and producing by vocal ensemble the finest choral works in sacred music. It is particularly fitting that Wittenberg, the largest school in the U.L.C., should have such an organization. The choir has been under the direction of John Thomas Williams since its inception, and, in addition to many annual appearances on the campus, has traveled extensively. This year, in order to curtail expenses in consideration of Wittenberg's financial drive, the choir gave up its annual tour and, instead, made as its contribution to the listening public a series of seven records, titled Great Hymns of the Church, for radio use during the Lenten period. These were broadcast over fourteen radio stations, once every week in fifteen-minute programs. Ministry through song is the Choir's way of bringing Wittenberg and her ideals to listeners everywhere.

ORCHESTRA

Professor Fritz K. Holcker, *Conductor*

Matthew Wiencke
Concertmeister

Miss Irene Balough
Assistant Concertmeister

The Wittenberg orchestra is composed of about forty players from the School of Music and the Liberal Arts school. Symphonic literature is rehearsed and performed throughout the year at Campus activities, home concerts, and commencement. The orchestra affords opportunity for gifted players and students who love good music to acquire accurate knowledge in the principles and technique of symphony and chamber music. Weekly radio broadcasts during '41 also afforded opportunity for individual students and groups of students from the orchestra to perform and to study broadcasting technique.

CONCERT BAND

Professor Fritz K. Holcker, *Conductor*

George Paugh
Student Conductor

Edgar Gangware
Manager

The Wittenberg Concert Band is the largest in its history, composed of sixty-two musicians. Emphasis is placed on both marching and concert work. The crack Marching Band of forty men in flashy uniforms executed intricate and colorful maneuvers at all the home football games and at the more important out-of-town games last fall. It also contributes its share of the color to parades in the city of Springfield and surrounding territory. The Concert Band gave concerts on the campus during the year; furthermore, it made an extended tour of the middle west during the second semester of 1941. The repertoire of the band is extensive and includes latest releases as well as standard works.

HOW THEY DID IT--

Flashing a hard-driving offense and a brilliant defense, the 1940 Wittenberg eleven rose to new heights in battling through an eight-game schedule to an undefeated, untied record. For the first time since 1930, the Stobbs-coached grid team came through the season unscathed, and nailed the Ohio Conference flag to its mast for an additional honor.

Wittenberg was the only undefeated, untied team in Ohio this year. In establishing this record, the Lutherans piled up 161 points to 33 by the opponents, which was clearly the result of a good all-around team, superior on both offense and defense.

In the opening game, the Stobbsmen traveled to Bowling Green and broke a five-year curtain raiser jinx by downing a veteran Bee Gee eleven, 14-0. Wittenberg outscored their opponent 19-8 in first downs, mainly through the sterling play of John "Ace" Kostyo and the entire line. Kostyo passed, ran, kicked, and scored one touchdown and two extra points to lead the Lutheran offense. The forward wall halted the highly rated backfield of Bowling Green, which was given a good chance to beat the Cream and Crimson. Fullback Norm Lymangrover also played an outstanding game, and scored a touchdown on a line plunge to clinch the contest.

Performing before the home crowd for the first time, the Fighting Lutherans again showed their defensive strength and defeated Ohio Northern, 13-0. Supported as a good offensive eleven, the Polar Bears were limited by the Tiger linemen to 22 yards gained by rushing. Wittenberg outdowned Northern 19-6, with Kostyo providing the scoring punch. The "Ace" of the Lutheran backfield tossed a pass to end, Bob Caton, for a touchdown and scored the second himself on a line plunge. He converted the first of two attempts for extra points.

In the closest game of the year, Wittenberg journeyed to Denison and, in spite of adverse weather conditions, managed to spoil the Big Red's homecoming celebration by a baseball score, 8-6. Through a steady downpour of rain, both lines battled all afternoon, but the Tiger front wall proved to be a bit more efficient when the chips were down. The break of the game came in the second quarter when husky Vincent Cooper, tackle, blocked a Denison punt, which was recovered by Guard Owen Shirk on the Big Red 10-yard line. After a series of line plays, Lymangrover battered his way over the goal line for the score.

Not to be outdone, Denison came back in the same period, and pushed over a touchdown on a 17-yard pass. With three minutes left to play in the fourth quarter, Wittenberg's stellar tackle, Bob Wiegel, broke through the line and tackled a Denison punter behind the goal line to give the Lutherans two points and their third straight victory.

For the second straight Saturday, Wittenberg's eleven bowled over a homecoming host by trimming Lawrence Tech of Michigan 20-0. The game was enlivened by the rough play of both sides, Quarterback "Swede" Thomas being ejected from the game in the first quarter for too much roughness. Kostyo was again the spearhead of the attack. He tallied 14 points on two touchdowns and two conversions, while Sophomore Pete Lizza scored one six-pointer. The victory was costly as Halfback Lizza sustained a twisted knee in the fourth quarter, which kept him on the sidelines for the remainder of the season.

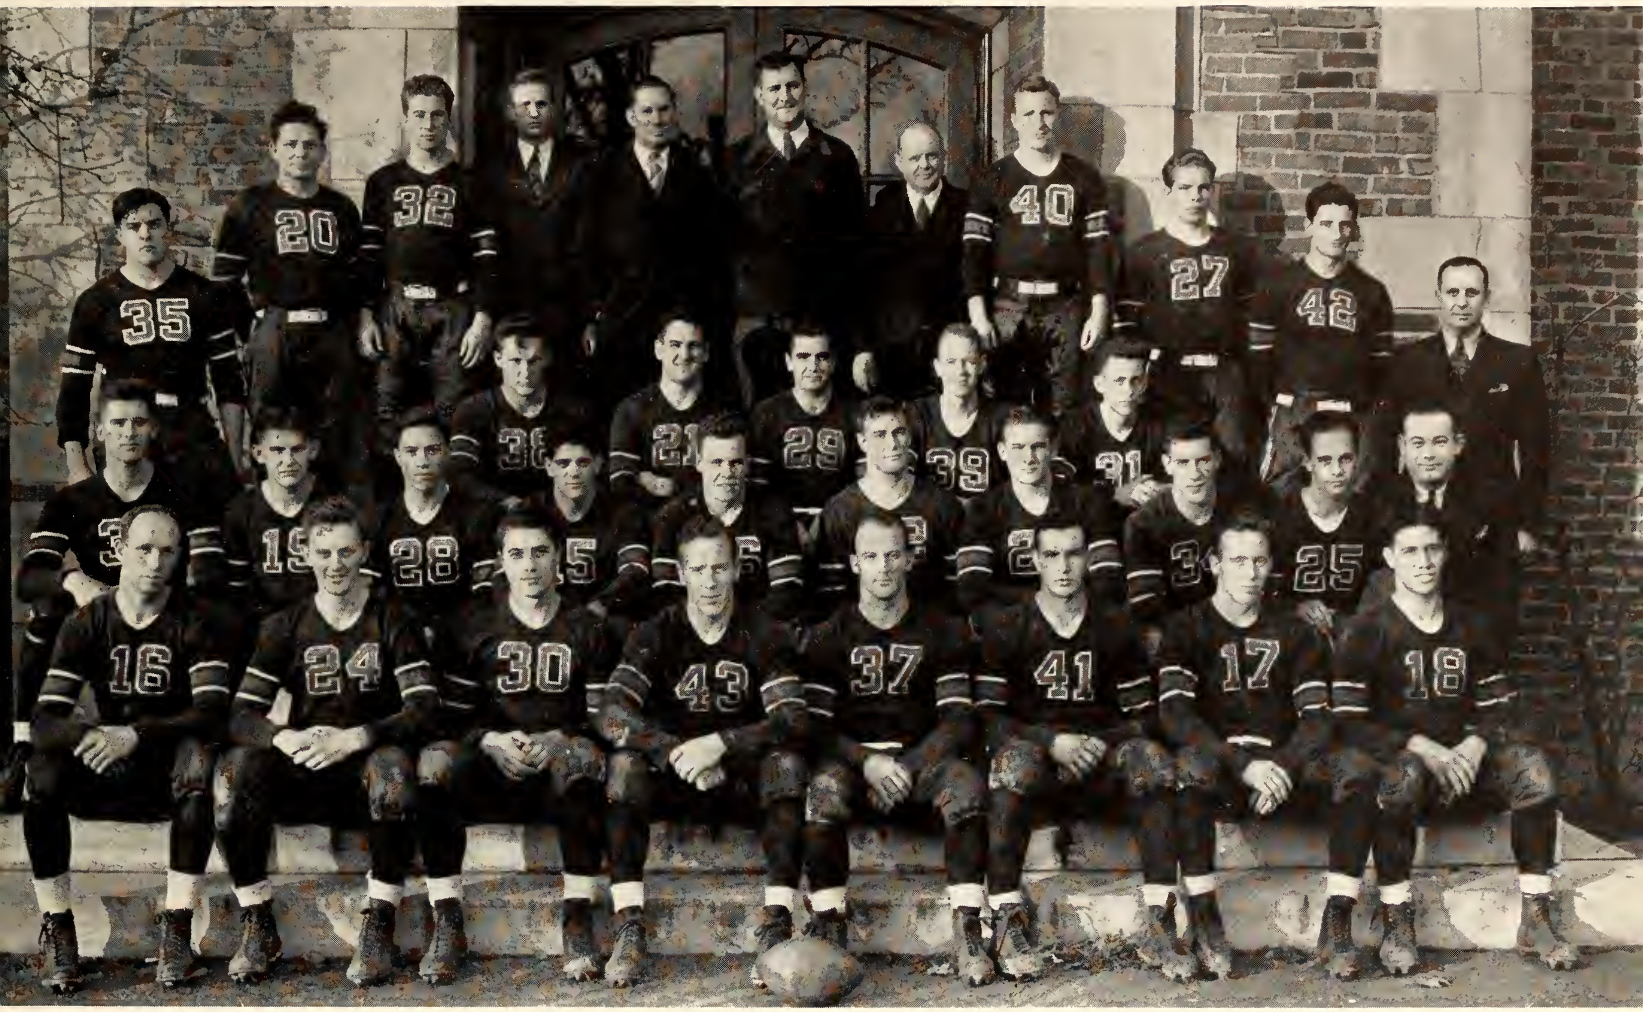
Wittenberg's homecoming game brought another undefeated, untied eleven to Zimmerman field under the banner of the Yeomen from Oberlin. Playing the best game of the season, the Lutherans, although outscored in first downs 14-16, came from behind to win, 19-7.

"Swede" Thomas intercepted a pass on his own 35-yard line and ran it to his 47 to spark the Lutherans' first drive for a touchdown. After a series of line plays put the ball deep in Oberlin territory, Kostyo dropped back and flipped a pass to Bob Caton, who hurdled two Yeomen and landed over the goal line to give the Stobbsmen a 6-0 halftime lead.

Oberlin started the second half with a rush, scoring a touchdown and converting the extra point to put the Lutherans behind 7-6, for the first and only time this season. Upon receiving the next kick-off, Wittenberg left no doubt about their strength as a grid machine, and marched 73 yards down the field, scoring seven points on a pass from Kostyo to Dick Caton over the goal line and a conversion by Kostyo. Another pass from Kostyo to Dick Caton set up the third score, with Lymangrover going over on a line buck.

Having gathered added confidence from the homecoming game, the Tigers trampled a heavier Marietta team 26-7. Kostyo played his most outstanding game, scoring 19 markers on three touchdowns and an extra point. The Lutherans overwhelmed Marietta by rushing for a total of 325 yards,

CONFERENCE CHAMPS



FIRST ROW: Robert Caton, Ed Chatain, Vincent Cooper, John Johnson, John Kostyo, Carl Reardon, Richard Caton, Howard Milligan. SECOND ROW: Henry Slevin, Warren Thomas, Everett Dean, Peter Lizza, Don Whitacre, Owen Shirk, Dave Woellner, Mark Neuman, Art Prescott, Willis Baughman (Trainer). THIRD ROW: John Parsons, Robert Wiegel, Norman Lymangrover, Harold Simpson, Robert Lewis, Joe Gray, John B. Van Why (Head of the Phys. Ed. Department). FOURTH ROW: Andrew Bistayi, Robert Daugherty, Glenn Beach (Manager), Coach "Bill" Stobbs (Head Coach), Forest "Spike" Neuman (Assistant Coach), "Tid" Schaefer (Backfield Coach), Russell Stranahan, Harold Bunnelle, Roger Rossi.

while the Pioneers were able to gain but 37 yards in the same manner. One of Kostyo's three touchdown jaunts was good for 46 yards behind the superb blocking of Quarterback Thomas, who checked the Marietta safety man to allow the star halfback to cross the goal line unmolested.

In the fourth quarter, Carl Reardon, senior center, pulled a surprise when he snatched a Marietta pass at midfield and scampered 50 yards to score without a man touching him. Another one-sided victory cost the Lutherans, however, as "Swede" Thomas dislocated his shoulder in an attempt to tackle a Marietta back during the fourth period and was put on the injured list for the remaining two games.

The Lutherans completely overpowered Mount Union, 26-0, on a gridiron covered with ice and snow. Kostyo and Senior End Chatlain combined to give Wittenberg the lopsided margin of victory. The Mounts were able to make but two first downs, while the Stobbsmen tallied 10. Wearing gloves in an effort to keep his fingers nimble, Ed Chatlain tallied two touchdowns on passes from Kostyo. The Wittenberg captain equalled Chatlain in touchdowns and added two extra-points to carry off scoring honors.

Before an overflow Thanksgiving Day crowd, the biggest since 1931, Wittenberg's gridiron machine rolled over Heidelberg, 35-13, to capture the Ohio Conference title and the first perfect record since 1930. Clicking on all cylinders, the Fighting Lutherans capitalized on every break, and smothered the Heidelberg offense on every play to win going away.

The Caton brothers teamed with Kostyo to bury the Princes under an avalanche of touchdowns. Halfback, Dick Caton, raced 37 yards for the first touchdown, and Kostyo tossed a pass to Bob Caton for the second, Kostyo converting both extra points. Again the Tigers struck through the air as Bob Caton received a pass from Kostyo to set up the touchdown pass from "Ace" to Dick Caton. Howard Milligan, senior quarterback, scored the extra point on a quarterback sneak to give Wittenberg a 21-0 halftime lead.

In the second half, Kostyo tossed a pass to Chatlain for a touchdown and added another point on a place-kick. Bob Caton again broke into the scoring column by intercepting a pass and toting the pigskin 25 yards to score standing up. Kostyo then chalked up his 67th point by converting the extra point. Heidelberg finally managed to push across two touchdowns in the last period against the second and third teams. So ended Wittenberg's banner year in football.

COACH AND HIS BOYS

Coach and his boys watch intently on as the second string finishes the final game on Thanksgiving Day with Heidelberg. They played well, these boys, for our Alma Mater.

"Norm" Lymangrover, the hardest driving fullback seen at Wittenberg in years, was named on the United Press All-Ohio Conference first team. "Lymie" is a junior, and will probably be one of the best backs in Ohio next fall.

Ed Chatlain, senior end and three year, three sport letterman, was picked on the International News Service All-Ohio Conference first squad. John "Red" Johnson, senior tackle and signal-caller, was named on the United Press All-Ohio Conference second team.

Those who received honorable mention on at least one of the all-star teams include Bob and Dick Caton, Centers Carl Reardon and Roger Rossi, Guards Owen Shirk and Mark Neuman, and Pete Lizza, halfback.

Kostyo topped the scorers with 67 points, but four others contributed heavily in this respect. Bob Caton tallied 24 points; Lymangrover, 19; Dick Caton and Chatlain, 18 apiece.

As a reward for winning the Ohio Conference Championship, every member of the squad was given a 14 carat miniature football. Sixteen members of the squad received varsity letter awards. Five seniors received blanket awards for three years of varsity competition. These were John Kostyo, Howard Milligan, "Red" Johnson, Vincent Cooper, and Ed Chatlain.

Too much can not be written about the men behind the scenes at Zimmerman field. The unsung assistants to Coach T. W. Stobbs this year were "Spike" Neuman, freshman coach, Tid Schaefer, backfield coach, Emil Lisak, star halfback in 1939, and Clarence Uptegraph, fullback on last year's team. Those men worked diligently day after day to perfect a smooth working eleven, yet many loyal Wittenberg fans never realized the labor involved in training a champion. Thoroughbreds are coached by thoroughbreds, as proved by this year's success on the gridiron.

At the football banquet, Coach T. W. Stobbs and Assistant Tid Schaefer were presented with engraved gold wrist watches by the members of the squad. The coaches had previously received their first "gift" when the players cooperated in tossing them into the swimming pool with clothes intact.

"Swede" Thomas and Pete Lizza, who were injured during the season, are almost completely cured of their ailments, and will be ready to play next fall. Thomas is a junior, while Lizza is a sophomore. The prospects for 1941 are rather bright in spite of graduation, which dropped seven of the champions from further participation.

The fullback position will be capably handled by Lymangrover and Don Whitacre, while Thomas will be back at his regular quarterback post. Lizza probably will get the call for one of the halfback positions, but Coach Stobbs will have difficulty locating another back to fill the shoes of triple threat John Kostyo. Dave Woellner and Stan Malcuit, sophomores, are the leading contenders for this post.

Although several new faces will appear in the line from time to time next fall, many seasoned men are returning to hold down regular positions. Roger Rossi, sophomore, will carry the heavy duties at center, with Hal Simpson and Mark Neuman, sophomores, alternating at one of the guard posts. Owen Shirk, junior, will probably hold his regular guard position during his last year. "Red" Johnson will be difficult to replace at tackle, but the other veteran tackle, Bob Wiegel, junior, will be returning for further competition. Bob Caton, unless drafted for the army, will come back next fall for his final year at end. The opposite end is open.

The freshman squad of 1940 may give Coach Stobbs some valuable varsity men next fall. Louis Ryman, Canton, is a triple threat back and may take over a first string position. Mike Moffo, Bridgeport, is a capable punter, and Tom Murray, Neffs, a fast ball carrier. Ernie Menas, Pittsburgh, Pa., is the fastest man on the squad, and a hard driving ball carrier. Oscar Erb, Wapakoneta, is small but tricky and may see more action than a casual observer would think.

Frank Bales, Middleburg, and Rod Kellis, Hillsboro, will be battling for the end position left open by Senior Ed Chatlain. Ira Miller, Coshocton, and Herb Dunlap, Delphos, weigh 190 and 205, respectively, to give Coach Stobbs two big tackles to develop. George Roye, Columbia, Pa., will probably be the understudy to the regular center.

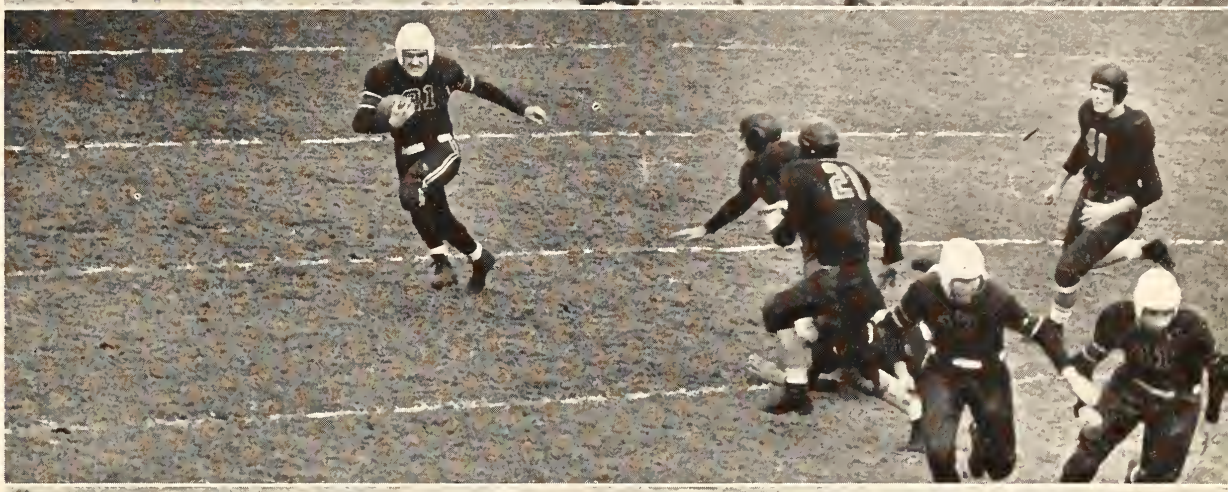
To the seniors, we say, "Good work, fellows, and may your futures be as successful as your last year on the Wittenberg gridiron."

To those who will be returning for more football next year, "Keep up the good work, gang, and battle to preserve that record."

To the Lutheran mentor, we say, "Congratulations, coach, it was a job well done."

Dick Caton breaks thru the Marietta line in an off-tackle play and is attempting to side-step a would-be tackler. He makes it for ten yard stripes.

"Lymie" way out in the open in the Homecoming contest with Oberlin nets twenty-five yards for the Cardinal and Cream. They never stopped him in any of the eight games.



An end sweep with "Rich" Caton toting the ball pushes the pig-skin down the gridiron for the Tigers as hard charging "Lymie" and "Red" mow 'em down.

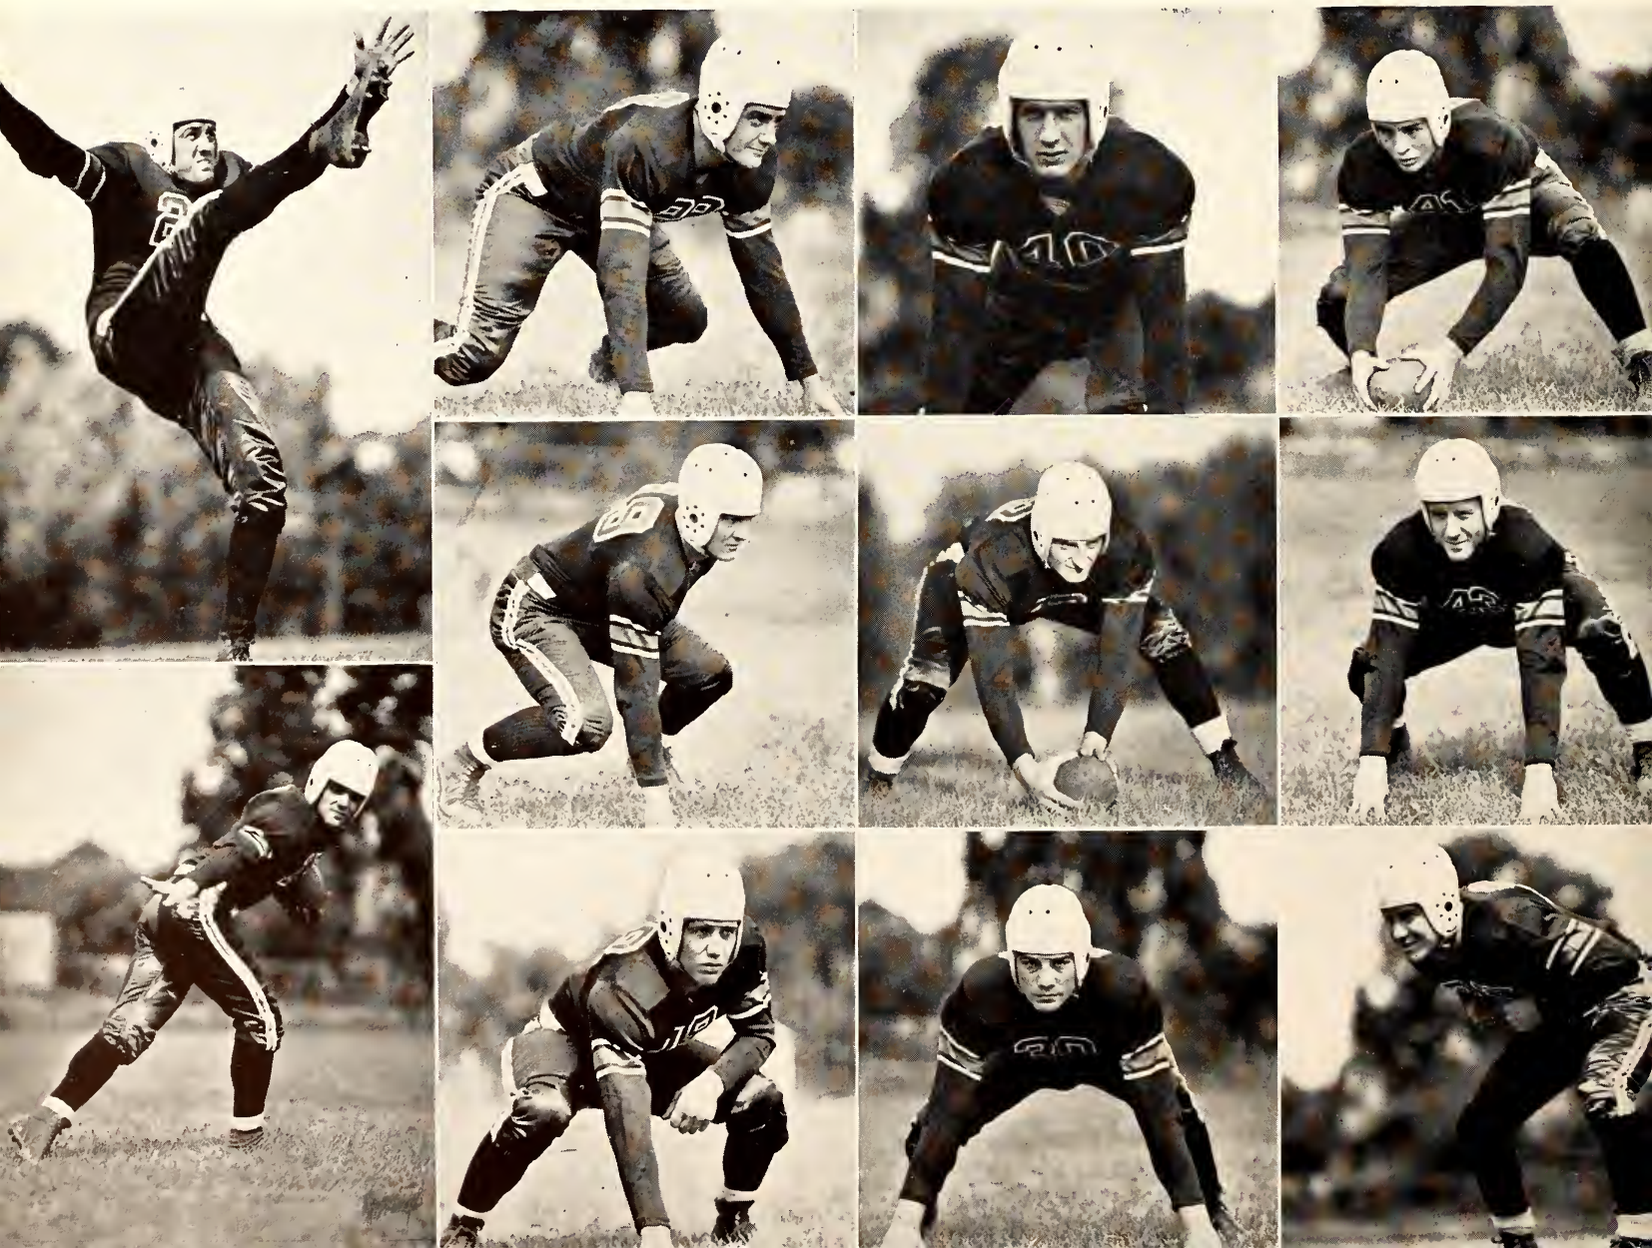
As the gun cracks closing the Heidelberg game and ending the season, "Andy" looks as if he had swept the gridiron with the "Princes." Lewis, Rossi, and Daugherty all seem well satisfied.

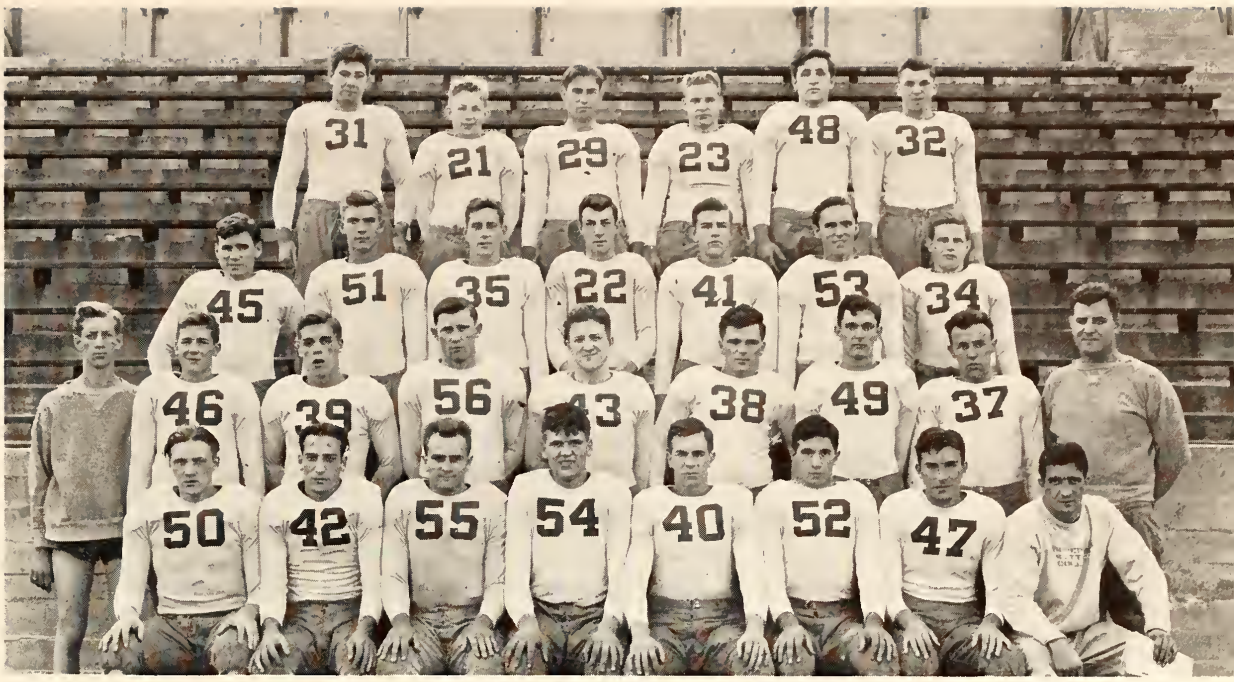
"ACE" KOSTYO

John Kostyo, Elyria, Ohio, a 60-minute man, led the state in scoring, and was elected by his teammates as the "most valuable player," which is the first time a back has ever won this honor.

Kostyo was named on the United Press All-Ohio and All-Ohio Conference first teams, being elected honorary captain of the latter. The International News Service picked him on the All-Ohio Conference first team; the Associated Press named him the outstanding player in the conference; and the Toledo Coaches Association awarded him a trophy as the most valuable secondary college player in Ohio. Northwestern's coach, Lynn Waldorf, who coached the North team in the North-South game at Montgomery Alabama, picked Kostyo as one of his eight backfield men to make the trip. Playing more than one-half of the game, Kostyo showed the "big-time" boys why we call him "Ace."

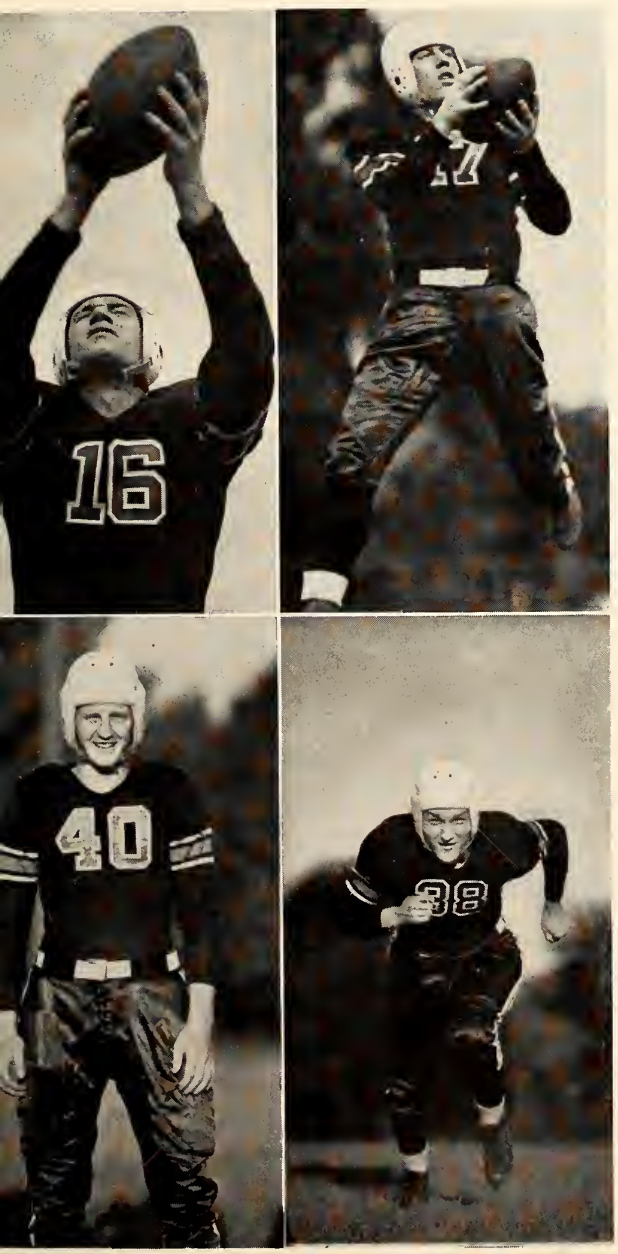
"W" GRIDDERS





FIRST ROW: Harry Placke, Norbert Larzelere, John Wolfe, Robert Dunlap, David Ellis, Mike Moffo, Thomas Murray, Clarence Uptegraph (Assistant Coach). SECOND ROW: David Larson (Manager), Warren Godard, Owen Seeley, Frank Sadlowski, Robert Petri, Louis Obejenski, Emerson Buckingham, Paul Paetznick, Forest "Spike" Neuman (Freshman Coach). THIRD ROW: Rodney Kellis, Frank Bales, Dale Seiders, George Roye Cliff Fox, Louis Ryman, LeRoy Sloan. FOURTH ROW: Tom Moore, Oscar Erb, Edward Mahoney, Robert Connell, Ernest Menas, George Richmann.

OUR GRIDIRON YEARLINGS



NORMAN LYMANGROVER—Without a doubt one of the hardest charging and driving fullbacks ever to tote the ball for Wittenberg.

HAROLD SIMPSON—His work at right guard position was outstanding every minute he played. We are anticipating what he will do next year.

MARK NEUMAN—He lived up to the reputation that his brother set here at Wittenberg not so long ago. Right guard was his berth.

CARL REARDON—Carl's playing ability was a great factor in the success of the 1940 team. He would shoot that ball to the backs in a bullet-like fashion.

ROBERT CATON—A typical picture of Bob snatching the pigskin out of the air from his end position. A provider of thrills for the fans.

RICHARD CATON—The older Caton was superb whether at end or halfback. Whoever dons number 17 in the future will be hard-pressed to compete with Rich.

"SWEDE" THOMAS—A shifty quarterback on any man's ball club. He proved to be a great loss in the latter part of the season when he was injured.

ROGER ROSSI—A great man over the ball, a man who plays hard all the times he's in the game. He should be a main-stay in '41.

"RED" JOHNSON—196 pounds of determination to win for the Tigers. He never knew the word "stop," but called signals and played from his tackle position with every bit of energy he could command.

PETE LIZZA—Until injured he was one of the highlights in each game. His place at halfback was well filled when he was on the gridiron.

HOWARD MILLIGAN—Not a point maker, but a paver of the way for the boys who did carry the ball over the zero stripe. A mighty quarterback.

VINCENT COOPER—Looks tough, eh? That's what our opponents thought too. He always provided a hole on offense and a wall on defense at left tackle.

OWEN SHIRK—A rugged ball player, a keen fellow. His playing at left guard was always all that was needed from that position.

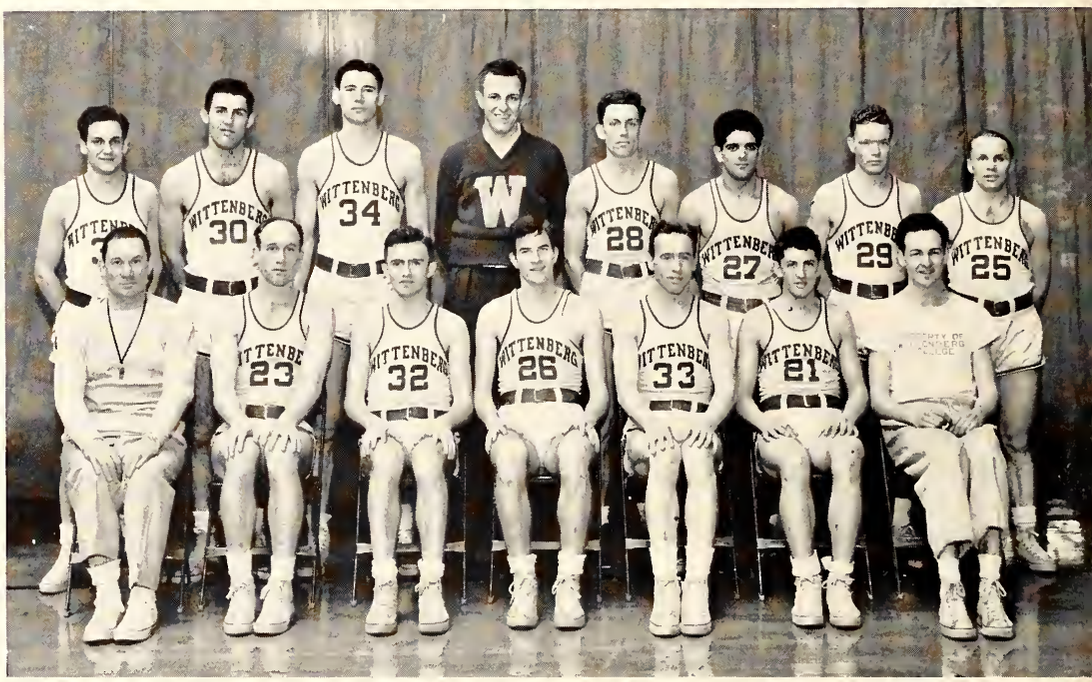
ED CHATLAIN—Down under punts, out in the flats for passes, in the road of all ball carriers, that's Ed. He played his wing position well for the Tigers.

ROBERT WIEGEL—Tough! Not a soft spot in him except his heart. Bob never gave an inch in his tackle berth all season. His opponents always found him a brick wall.

Coach Stobbs

ON THE

Handicapped by the lack of heighth and inexperience at the start of the season, the Fighting Lutherans of Wittenberg College put on a finish that warmed the hearts of their ardent followers. After a disastrous Eastern trip, the team finally hit its stride and won nine of its last eleven games and amassed a total of 1008 points for the season. The Cardinal and Cream Basketeers ended the season with an Ohio Conference record of eight wins and four defeats.



FIRST ROW: Coach Stobbs, Robert Caton, Roy Sheil, Earl Fisher, Richard Caton, Clifford Heskett, Don Marousek (Manager). SECOND ROW: Ralph Woltjen, Paul Weaver, Marvin Gropp, James Reusswig, Joe Gray, Peter Lizza, Norman Foster, Alfred Flock.

HARDWOOD....

THE RESUME

Before embarking on their annual Eastern Trip, the Cardinal and Cream Basketeers played a warm-up contest with their rivals from Dayton. Although their floor-work was ragged, Wittenberg hit the hoop with deadly accuracy in this initial encounter and the outcome was never in doubt from the start. The Stobbsmen winning 55-46.

The team then embarked on what turned out to be the most disastrous of all their Eastern Campaigns. The boys could only win one out of seven games played on the trip.

The first team met was Coach Stobb's Alma Mater, Washington and Jefferson. It wasn't a very pleasant visit for our coach for Wittenberg lost 64-46. Villanova oozed out a hard fought victory from our boys 34-31. Next they took on the highly rated Long Island University combination who won the Madison Square Garden Invitational Meet this year. The Tigers didn't make as impressive a showing as they did the previous year, falling to the tune of 58-33.

They continued by losing a heart-breaking 39-33 decision to Rider. The Cardinal and Cream Warriors finally snapped out of it and soundly walloped a good Swarthmore team 49-28. They lost another close one to Scranton 54-53 and finished the tour by losing to St. Joseph 49-33.

With the not so successful Eastern Trip behind them and a great deal of experience under their belts, the Wittenberg team returned home to open their league season against Marietta. For the third time this season they lost by one point, 44-43. In a hard fought game the Lutherans led until the last three minutes when Marietta grabbed the lead and "Froze" the ball for the rest of the game.

Again failing to hold a first-half lead, the Wittenberg squad dropped a nip and tuck battle to Ohio Northern 54-48. Her poor basket shooting and failure to get the rebounds off the backboard continued to play havoc with the offense.

Inability to sink fouls and poor shooting again cost the Wittenberg team another game. This time the winning team was Mount Union. Trailing 29-19 at the half, the Stobbsmen came back to outscore their opponents in the last half but the rally fell short.

Combining a lot of fight and superior speed, a smaller Wittenberg team came from behind to snap their losing streak in a non-conference game with Ohio Wesleyan. The score was 49-41 and it was their first victory in the last six starts. The Lutherans found their shooting eyes early in the game and combined it with some skillful passing to overcome an early Wesleyan lead and coast on to an easy victory.

Things were beginning to look up and the team traveled to Muskingum and defeated the Muskies 51-38. Good shooting and plenty of fight under the backboard played an important role in the victory.

The Dayton Flyers avenged an earlier defeat by trouncing the Cardinal and Cream 50-38. The spark was missing from the team and everything seemed to go wrong.

After winning only three of their first fourteen engagements, the Stobbsmen did an about face and played the kind of basketball the students have come to expect from a Wittenberg basketball team. They started their winning streak by trouncing Findlay 47-40. The game was not as close as the score indicates. There was no doubt about the outcome from the start.

In a wild game that left the visiting team out on their feet trying to keep up with the fast break of the Lutheran squad, Stobb's charges swept over John Carroll University 44-27.

Stretching her winning streak to three games, the Wittenberg cagers bowled over a fighting Kent State team 64-49. The lead was with the home team from the start and Kent was never able to catch up.

In a fast and clean fought game in which only twelve fouls were called, the Tigers marked up their fourth straight win by beating Otterbein 43-38. It was a closely contested match in which the score was tied eight times in the first half. Wittenberg employed a shifting zone defense which gave the Otters a good deal of trouble throughout the game.

Continuing their fast pace, the Fighting Lutheran basketball team overpowered a rangy Bowling Green five, 57-28.

RICHARD CATON — Always playing a hard game at guard, "Rich" fitted well into this year's cage combination.

ROY SHEIL — A sophomore, but a superb guard, Roy was many times the spark-plug of the outfit.

CLIFF HESKETT — Same old Cliff, dead-eye and fast forward. He ended the season with 282 points almost equaling his last year's record.

ED CHATLAIN—Ed deserves the praise of us all for his outstanding work on the hardwood this year at center.

EARL FISHER — Another sophomore, but one of the finest forwards ever. Earl should have a lot in store for us next year.

. . . . AT HOME

Their fifth straight victory was chalked up after a slow start in the first half. The game livened up in the second half when Wittenberg's high scoring trio of Heskett, Chatlain, and Fisher began hitting the hoop with deadly accuracy.

A packed house saw Wittenberg's cagers register their sixth straight Ohio Conference game by swamping Marietta 49-28. In avenging a previous set back, the Tigers led from the opening tip-off and the Pioneers were never able to seriously threaten the home forces.

Playing their last home game of the season, the Stobbsmen increased their winning streak to seven games as they outplayed and outscored a game Findlay College five, 58-49. Again the Wittenberg team took the lead at the start and held it throughout the contest.

In the final game of the season, Wittenberg traveled to Wooster hoping to avenge a defeat suffered at the hands of the Scots the year before. Unable to adapt themselves to the small floor and the new streamlined baskets, the Lutherans were mauled by the Scots to the tune of 51-28. The play was completely dominated by Wooster and the Tigers were only able to score nine points in the last half.

As the team walked off the floor, three seniors had played their last basketball game for Wittenberg College. They were Cliff Heskett, Captain Ed Chatlain, and Dick Caton. Caton has served two years on the varsity while Chatlain and Heskett have served three.

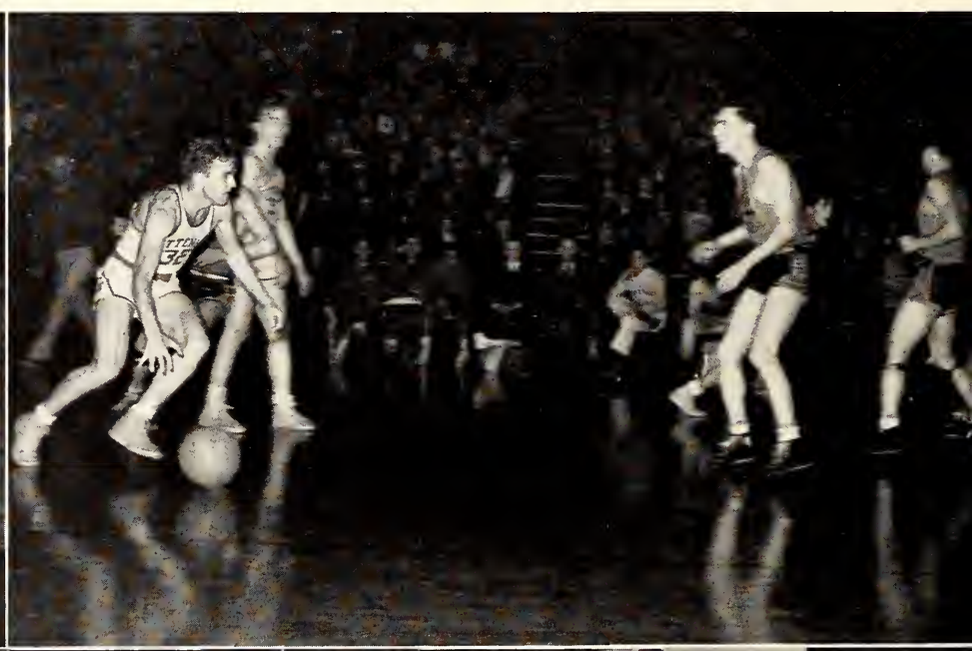
Cliff "Little Joe" Heskett will not be forgotten for a long time at Wittenberg for he set two all-time records during his brilliant and colorful career on the hardwood. His 307 points in 1939-1940 is the best single year's record and his 757 three year total is a new mark.

Every member of the starting five scored at least 100 points. Heskett 282, Fisher 206, Chatlain 188, Caton 112, and Sheil 100. Another record was set by Earl Fisher whose 206 is the highest for any sophomore and betters Heskett's sophomore mark.

In winning eleven games and losing the same number, Wittenberg piled up 1008 points to their opponents 962.

After his shot Ed awaits the results impatiently. Looks good from here.

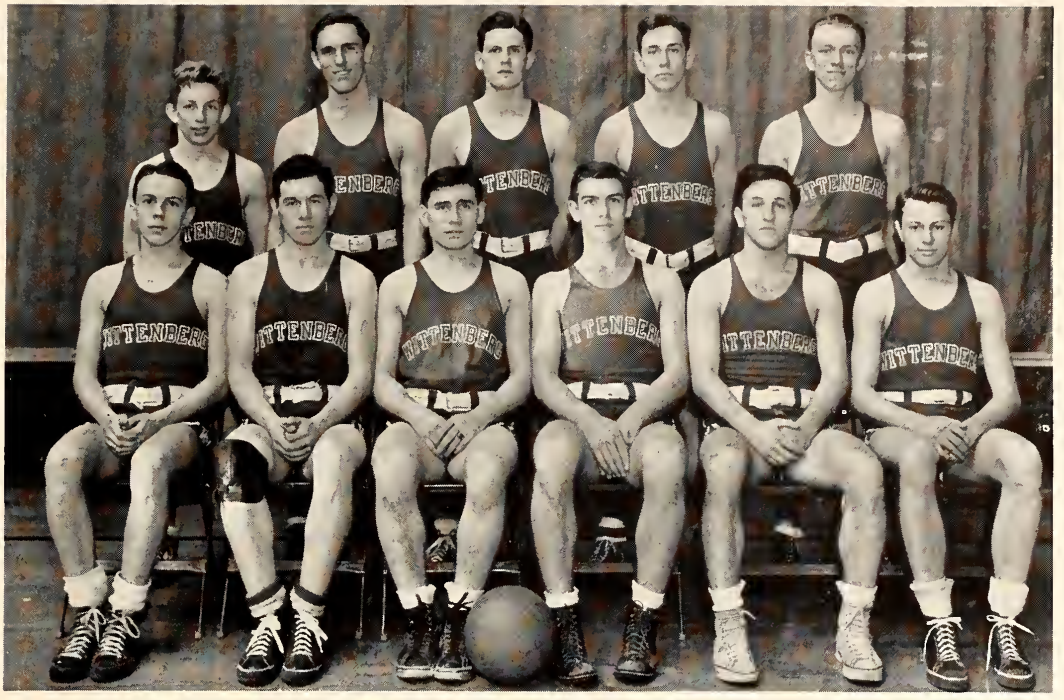
Ed lets one fly towards the hoop and a second later it swishes through.



The camera gets Roy just as the ball is on the floor as he is dribbling to the basket.

A mad scramble under the basket in a tense moment as the ball is about to light on the backboard.

AND AWAY. . . .



FIRST ROW: Richard Brady, Richard Coyle, Rodney Kellis, Frank Bales, Ernest Menas, Jack Distelhorst. SECOND ROW: Oscar Erb, Louis Ryman, Stanley Schmucker, Dale Seiders, Carl Myers.

Boasting an undefeated season, fourteen numeral winners will be battling to secure varsity positions next winter. Although this year's frosh squad lacked height, it possessed plenty of speed and aggressiveness. Several of the boys will undoubtedly fit into the fast-break offense employed by Coach Stobbs.

Three first team positions are open as Cliff Heskett, forward; Ed Chatlain, center; and Dick Caton, guard, completed their careers on the hardwood this year. The following boys were awarded numerals for their participation in 1941: Frank Bales, Richard Brady, Herb Bonner, Emerson Buckingham, William Cain, Richard Coyle, Herb Distelhorst, Rodney Kellis, Ernie Menas, Carl Myers, Oscar Erb, Louis Ryman, Stan Schmucker, and Dale Seiders. Watch for these boys make their appearances next December.

THIRD ROW: Robert Cretcher (Manager), John Johnson, Thomas Keller, Kenneth Snyder, William Klapproth, Luther Wallace Mark Getzendaner.

FIRST ROW: Matthew Portz, Gilbert Rea, Robert Newlin, Philip Krull. SECOND ROW: Charles Bushey, Morris Shreck, Gordon Ogram, Robert Coppess, Joe Dancy, Glenn Beach. THIRD ROW: Coach Gillespie, Grover Swoyer, Ed Gangware, Henry Slevin, Allen Lehmkuhl, Luther Baker.

1940 Trackmen

After a slow start due to bad weather which hampered practice facilities, the trackmen rolled over four straight opponents, and ended the season with a good record in the conference meet. The team was in the hands of "Old Reliable" "Tid" Schaefer who has turned out many winning track teams for Wittenberg.

1940 Courtmen

The netters spent their first year under the coaching of Forest "Spike" Neuman who handled them in a very capable fashion. Jensen, Campbell, and Keil formed the nucleus of the squad. Considering the lack of experience of many on the squad, the squad played well. The 1941 squad will center around William Coombs, Richard Sikes, Ellsworth Henn, and Roy Sheil.

Intramural basketball opened the 1939-1940 spring sports program. In the "A" league the race was neck and neck all the way, with the Betas edging out the Phi Mus for the championship in the last game. The "B" league was even more exciting, as a playoff was necessary to determine the champion. The A.T.O.s lost the last game of the season to the Dorm which necessitated the play-off between the Phi Gams, Dorm, and A.T.O.s. The A.T.O.s defeated the Phi Gams to capture the championship.

In a meet that lasted two nights the A.T.O.s came through with colors flying to annex the foul shooting championship for the second straight year.

In the swimming meet, which produced much excitement, the Phi Gams carried off the trophy with the A.T.O.s coming in second.

After three weeks of gruelling training, the intramural boxing meet was held. When the first round ended, the A.T.O.s had amassed enough points for the championship while second place went to the Delta Sigs. Over 250 people witnessed these fights which brought thrills and chills to all. In the 135 lb. class, Delta Sig's Jim Campbell boxed his way to a championship over "Buff" Stearns, the A.T.O. finalist. In the 145 lb. class A.T.O.s Elwood Jensen proved too good for all his opponents and scored a technical K.O. over "Chuck" Bushey, another Alpha Tau, in the second round for the championship. Ralph Brinkman, Delta Sig, outboxed every one in the 155 lb. division for a clean-cut championship. Don Whitacre, hard fighting Phi Mu, punched his way to the crown in the 165 lb. class when none of his opponents could answer the bell for the final round. In the 175 lb. class Phi Gam, Stan Malcuit, took the top honors. Henry Nickerson, another Phi Gam, won the heavyweight title without fighting because he was the only entry in his class.

Downtown at the Acme Bowling Alley the Phi Psis carried away the bowling cup with strong competition coming from the Phi Gams and the Betas. All of the kegglers displayed their enthusiasm concerning the newly introduced intramural sport.

In horseshoes the A.T.O.s won an easy championship. Beta Theta Pi placed second in throwing the shoes.

The softball league was a battle between three teams. The Phi Psis were undefeated behind the fine hurling of Joe Gray, while the Phi Mus and the Dorm finished in a tie for second place.

In one of the most exciting track meets of recent years the A.T.O.s nosed out the Phi Gams for the championship. The winner was not decided until the final event, the relays, in which the A.T.O.s captured first place and second place with two entries. This was the fourth consecutive year that the A.T.O.s annexed the track title.

The intramural fall sports of the 1940-1941 season got off to a hot start with the tennis matches. The championship was decided when the Phi Gams beat the second place A.T.O.s, two matches to one in the finals.

In intramural football there were two leagues, I and II. The Dorm won the I League title after several bitter games with the Phi Mus and the A.T.O.s. The Phi Gams marched past all competition in league II for the crown. Then the Phi Gams beat the Dorm twice for the cup in the play-off.

A new sport in this year's calendar was badminton. The Phi Gam's again showed their superiority with the racquets to win the badminton title with the Betas rating second place.

There were two volleyball leagues and both had thrilling finishes. The Phi Psis edged the A.T.O.s for the championship of league I. In league II the A.T.O.s beat the Phi Gams for the title and the cup.

The A.T.O.s and the Phi Gams battled for supremacy on the handball court. Finally the Phi Gams won the race in the last match, two games to one.

The leadership of the table tennis league ended in a tie between the Betas and the A.T.O.s. In the play-off the Betas won two games and the title.

For the past two years the all-year all-sports participation trophy and point scoring system have been eliminated from the program. This has enabled the department to increase the number of individual sports and also to expand the participation to include more students.

In view of these changes, which decreased the continuous pressure for every group to participate in every sport, we still had 60 per cent of the men in school voluntarily participating in the program for the first semester of 1940-1941. For the last semester of 1939-1940 more than 80 per cent of the college men enjoyed the intramural program from the participant's point of view.

MEN'S INTRAMURALS

OURSELVES

The aim of the Intramural Department is:—To provide some form of physical activity for every male student of Wittenberg College.

The objectives of the Intramural Department are four fold:—

1. To provide recreational opportunities for all male students.
2. To provide a situation which will contribute to the promotion of bodily health and vigor.
3. To provide opportunities for the promotion of a desirable social and moral standard of conduct.
4. To provide opportunities for the development of skills.

FIRST ROW: John Winter, Don Nouse, Willis Baughman (Head of the Intramural program), Raymond Schueller, Henry Gulmi. SECOND ROW: Charles Kieffer, Cecil Pinner, John Gunsett, Charles Douglass, William Brown.

FIRST ROW: Charles Wilcox, Tom Crites, Willis Baughman (Head of the Intramural program), Robert Marks, Henry Gulmi. SECOND ROW: Don Hoffman, Robert McClaran, Don Nouse, George Horner, Raymond Schueller.

The unit managers are ciaison officers whose duties are to interpret the departmental rulings and schedules for their respective social groups. It is the task of the departmental managers to do the detail work of administrating the program of sports for the students. Their work includes scoring, timing, supplying equipment, checking schedules, and routine intramural work. We owe much to these representatives and to Willis Baughman who have enabled us all to better enjoy the art of playing.

The 1939-1940 season ended with the All Sports Trophy once again in the possession of Alpha Xi Delta. This was the second consecutive year that they came off with the trophy. However, theirs was not an easy task in overcoming the other social groups on the campus to cop the trophy. The season was highlighted with the close competition between all of the groups.

The season was completed by the Chi Omegas winning the Rifle contest in which their Betty Heltzel made the highest score in matches.

The Basketball tournament was a tightly contested affair as the Alpha Xis and the Chi Omegas tied for the leadership. In the play-off game which was truly a tug-of-war, neither team giving an inch, Alpha Xi Delta came off the victor.

The tankers found the Alpha Delts too deft at the art of splashing, consequently the A.D.Pis won the Swimming cup for the fifth consecutive year. The highest scorer in the meet was Betty French. Alpha Xi's Dorothy Roush came through for the Gold and Blue to break the college intramural diving record.

Again in the softball league there was keen competition from all corners. At the end of the diamond race the Alpha Xis and the Independent Girls were tied for first place. Since the Independent Girls were not eligible to receive an intramural cup, the trophy went to Alpha Xi.

On the tennis court the Alpha Xis were hard pressed in overcoming the superb playing of Alice Hepner of the Chi Omegas, and of Lois Siegel and Jean Frye of the K.D.s. When the sororities put up their rackets for the year the Alpha Xi netters were out in front. Alice Hepner once again captured the singles crown while Jean Frye and Lois Siegel were winners in the doubles contest. Alpha Xi won the trophy on the basis of their large number participating in the sport.

The 1940-1941 intramural season opened with the Alpha Xis copping the Volleyball trophy. The star of the tournament was Marie Liba whose "set-ups" and "spikes" were the best that any Wittenberg girl ever performed. Her sorority, Beta Phi Alpha, ran a close second in the fray.

Next on the program was the Posture contest in which Betty French was the highest scorer for the second straight year. Margit Blochova, Wigs, was a very close second and Betty Todd, Alpha Xi, and Betty Jane Parker, Chi Omega, tied for third place. However, Alpha Xi Delta was claimed the group winner with the greatest number of girls finishing in the finals.

From results the Chi Omegas proved to be the "champs" in the Table Tennis tournament. Downing all competition, Peg Hadde and Alice Hepner came out the winning combination in the contest.

Alpha Xi Delta came through as the winner of the Badminton tournament. However, Marie Liba, Beta Phi Alpha, gave Givah Wisler, Alpha Xi Delta, a close match for first place in the singles matches, while the doubles team of Chi Omega hampered the smooth performance of the Alpha Xis attack.

Thus completes another year of intramural competition among the women's social groups.

WOMEN'S SPORTS

BEAUTY -- FOR FUN

The aim of the women's intramural program is to promote high physical efficiency among the women at Wittenberg by fostering an interest in athletic activities and to be a means of promoting good fellowship. It is the hope of the promoters to develop fair play, good sportsmanship, group cooperation, individual skills, and to maintain a wholesome competition among the sororities and independents.

COMMENCEMENT

President Tulloss presents Elwood Jensen, Senior class President, with his diploma.

Archie Albright, one of the marshalls, leads the Seniors to their graduation ceremonies.

The degree of Doctor of Divinity is conferred upon Rev. Fred C. Wiegman, President of Midland College and commencement speaker.

Rees Edgar Tulloss, Jr. unveils the portrait of President Tulloss presented to the college by Georgiana Stearns from W.W.L.

A bright, June morning, two hundred anxious and reminiscing Seniors, the processional, inspirational speeches, church and patriotic music, a brief hand clasp by President Tulloss, the reward for four year's work, hearty congratulations, and another class of Seniors enters the gates of opportunity. An end has come to those four years which at first seemed to be so long and arduous and now, so precious. "Roomies," fraternity brothers, sororities sisters, and college friends for a few short years leave one another and in so doing carry with them cherished memories of classes, dances, football games, fraternities and sororities, and the campus, through which they grew to be so intimate. Some have learned many things and acquired considerable knowledge, others not so much, but all would enjoy living "it" over again. They are now Sons and Daughters of Wittenberg and ready to fill their niche in the scheme of the world.

. . . . ALMA MATER

Alma Mater of 1939, Georgiana Stearns, gives up her place of honor to Alice Hepner, Alma Mater of 1940.

The Alma Mater and her Court of Honor look on as the Pageant of Progress unfolds before them.

On the coveted Alma Mater throne, Alice Hepner, with Georiana Stearns and the two pages, Patti Sims and Dorotha May Leonard.

With a fanfare of trumpets Georgiana Stearns our Alma Mater, who is the symbol of Wittenberg and its glory, enters the hall of pageantry to witness the "Pageant of Progress" and to give up her crown to her successor, Alice Hepner. After she has placed her cap and gown upon the new Alma Mater, both of them witness the pageant symbolic of the academic life of Wittenberg. The Social Sciences, the Arts, Languages and Literature, Science, and Religion of Wittenberg are all characterized by the descriptive dances of her students. At the end of the ceremony the bright colors of the pageant unite in the form of the Cross as the varied activities of academic life are drawn together in worship, hope, and purpose.

Here she is—our Homecoming Queen, Miss Betty Snyder. We can see that she thoroughly enjoyed her position of honor that day.

Representatives of the winners of the Homecoming decoration trophies, Vivian Buser of Chi Omega and Harry Scott of Phi Mu Delta, beam with pride as the cups are placed in their hands.

Homecoming week-end was one of the highlights of the year. On Friday evening in the gym the annual Homecoming dance was held with everyone shaking hands with grads and all anticipating what the morrow would bring on the gridiron. At the stroke of eleven Betty Snyder was announced as the Queen to reign over the festivities; furthermore Chi Omega and Phi Mu Delta were acclaimed the decoration winners. Saturday was even more brilliant as the various

The alums came from everywhere, they saw our steam-roller football team, and the boys conquered the Yeoman from Oberlin. The alums came home to see the team they had heard so much about, and when the boys played the brand of ball that made them tops in Ohio, there was no question in the graduates' minds that the reports of the 1940 Wittenberg grid-machine were correct.

Chi Omega's "Whale of a Victory," a unique display, wins the highest acclaim of the judges.

Phi Mu Delta with its "bomb proof shelter," anti-aircraft gun, and demolished plane comes off with first place.

JUNE MAD

IN BRIEF

Penny Wood, superbly characterized by Jane Wills was a normal girl of fifteen until she felt the urge to become a glamor girl. Her boy friend, Chuck Harris, genuinely portrayed by William Freeman built his life around gliders, against his father's wishes. Mervyn, Penny's young uncle, naturally played by Fred Gosewisch, was constantly annoyed by Millie Lou, one of Penny's friends, played by Beth Seiffer, and Julie, his regular girl, with Margaret Pabst in the role, caused him no end of anxiety when he brought his dashing young friend, Roger Van Vleck characterized by Edwin Rodeheffer, home for a visit. Roger was the cause for Penny's sudden desire to be grown up. Don Funk and Pauline Gott who took the parts of the hired man, Elmer, and the maid, Effie, respectively kept the audience in an uproar throughout the play.

IN BRIEF

Mr. and Mrs. Winthrop, an unhappily married couple, characterized by David Bremer and Vera Jeddy, Miss Bourne, a straight-laced old maid, interpreted by Rachel Bair, Peg and Charles Murdock, a newly-married couple on their honeymoon, portrayed by Sally Shriner and Don Kaiser, and Teddie Deakin, a scatterbrain Englishman, in the form of Don Funk all get off a night train at Clear Vale Junction, Maine. Entering a dingy waiting room, they are informed by Saul Hodgkin, the station attendant, in the person of John McCulloch that there are no trains until morning. They decide to stay in the station until morning, but Hodgkin warns them of the "Ghost Train" which is deadly to all who look at it as it passes. However Deakin reveals his identity as a detective and exposes a gang behind the decoy, "The Ghost Train," robbing delayed passengers.

DIVINITY

Hamma Divinity School is the theological department of Wittenberg College. In the ninety-five years of its history it has sent forth seven hundred and sixteen graduates. Accredited by the American Association of Theological Schools, it is one of the strong seminaries of the United Lutheran Church in America. A faculty of eight men, four full-time and four part-time instructors, offer courses in the major branches of theology. The present student body numbers twenty-nine men; nine seniors, eleven middlers, and nine juniors. Hamma Hall houses the classrooms, dean's office, art gallery, and the beautiful chapel, which is equipped with pipe organ and churchly furnishings. Recently an attractive art glass window, the creation of Mr. Robert Metcalf, was added to the chancel furnishings. Keller Hall is the dormitory for men. It is equipped with a library reading room and parlors. Midway between Hamma Hall and Keller Hall stands the Refectory, in which meals are served under student management. The student body is organized with officers and committees for the conduct of matters pertaining to devotional services, music, athletics, and social activities.

Dr. E. E. Flack
Dean of Hamma Divinity School

Dr. Flack, associated with Wittenberg and Hamma Divinity School as student, professor, and Dean of Hamma since 1912, has served his and our school loyally from the day he entered its door for the first time. His invaluable work and his instruction in religious education have been especially outstanding in his long and inspiring career. There was but one man to succeed Dr. Larimer as Dean of Hamma Divinity School, consequently last year that coveted position was bestowed upon Dr. Flack. The work of God and the words of Jesus take on more meaning for us because of the interpretations of the gospel by such men as Dr. Flack.

ALPHA TAU

Alpha Tau Omega was founded at Richmond, Virginia on September 11, 1865 by Otis Allen Glazebrook, Alfred Marshall, and Erskine Mayo Ross. It was the first fraternity to be established after the Civil War and projected as a national. It was founded to bind men of the North and South together in an everlasting brotherhood. The fraternity has 93 chapters and 35,000 alumni. In 1883 the local chapter, Ohio Alpha Psi, was chartered by the organization. Some of the nationally known and recognized Alpha Tau's are Dr. Karl T. Compton, Walter Hines Page, Norman H. Davis, and Robert W. Bingham.

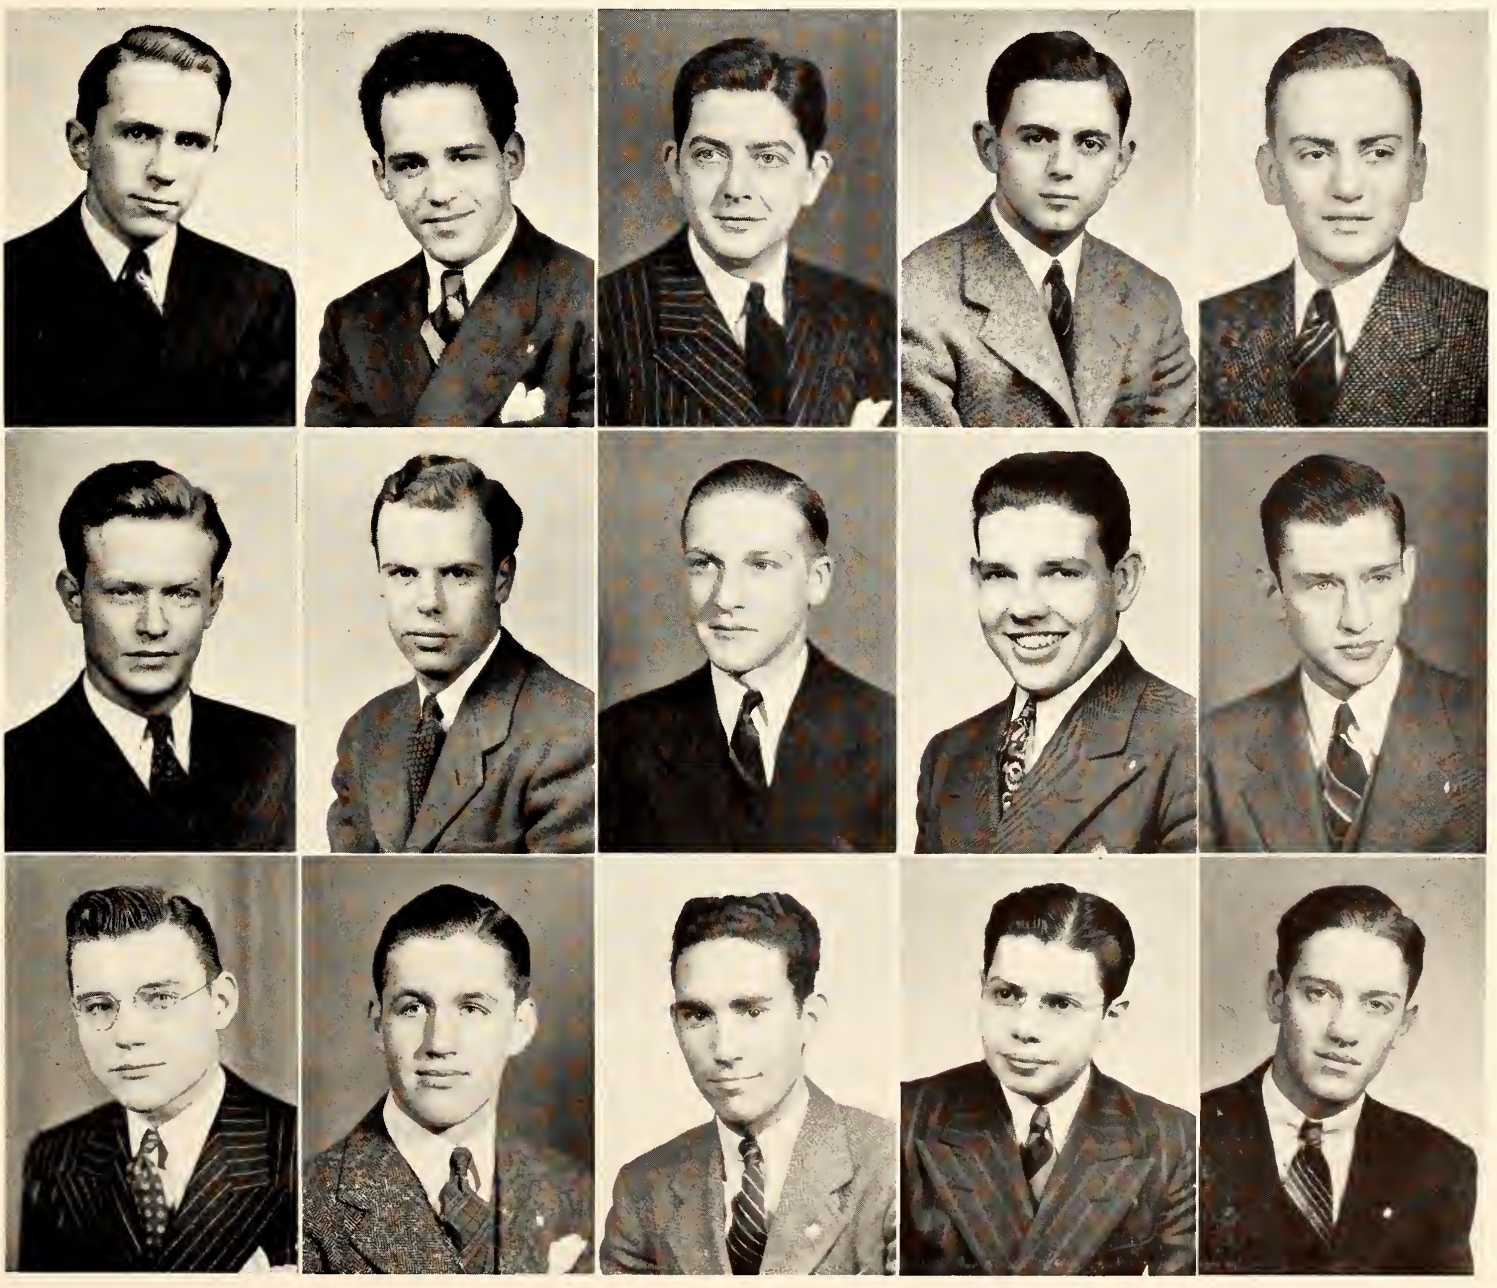
The Betas in '41

Alpha Gamma chapter of Beta Theta Pi last January closed its 74th year of existence. It's memorable year for brothers Dyke, Snyder, Lester and Brickley, who will soon be singing "We're in the Army now." The chapter also lays claim to Bill "Mighty Midget" Baker, Blue Key, President of Second Generation Club, and Business Manager of the Torch . . . Bob "Lens" Brickley, who takes more pictures than United Artists—in fact this book's photographs are due to his work . . . and Sam Sachs and Bill Lester, each of whom would give the other's right arm for the warm companionship of a co-ed . . . Remember "Nitchie" McClaren and his "Wail of the Bansee?" Chet Quick of Blue Key, exerts his flaming personality in luring new students to Wittenberg . . . "Paulsy" Cropper and his friend Yancy are now a legend of Woodlawn Ave. . . . the Gamma Phis and Betas are the best of neighbors . . . Beta Theta Pi kept up its two year record in Interfraternity Debate, adding the ping-pong cup, for '41 . . .

THETA PI

Beta Theta Pi is one of the three members of the "Miami Triad" and the first fraternity to be founded west of the Alleghenies. It held its first formal meeting August 8, 1839. Its constituent members were John Reily Knox, David Linton, Michael Clarkson Ryan, John Holt Duncan, Thomas Gorden, Samuel Marshall, James Smith, and Charles Hardin. Alpha Gamma, the local chapter, was the second fraternity on Wittenberg's campus being established in 1867. The National organization consists of 90 active chapters and 47,000 alumni. A few of the outstanding Betas are Senator LaFollette, Owen D. Young, and Jay N. Darling.



DELTA SIGMA

Founded at the College of the City of New York on December 10, 1899, Delta Sigma Phi has grown until it now comprises 43 chapters. Membership is confined to men whose "ideals and beliefs are those of modern Christian civilization." The national offices of the fraternity are located in Springfield, Ohio. In 1932 Alpha Theta Alpha, a local fraternity, was chartered as Beta Iota chapter of Delta Sigma Phi. The fraternity could be called a musical social fraternity with such famous dance band leaders as Jan Garber, the late Hal Kemp, Ted Weems, John Scott Trotter, and "Skinny" Ennis as members. Other prominent members include Fritz Crisler, football coach, and Senator James J. Davis.

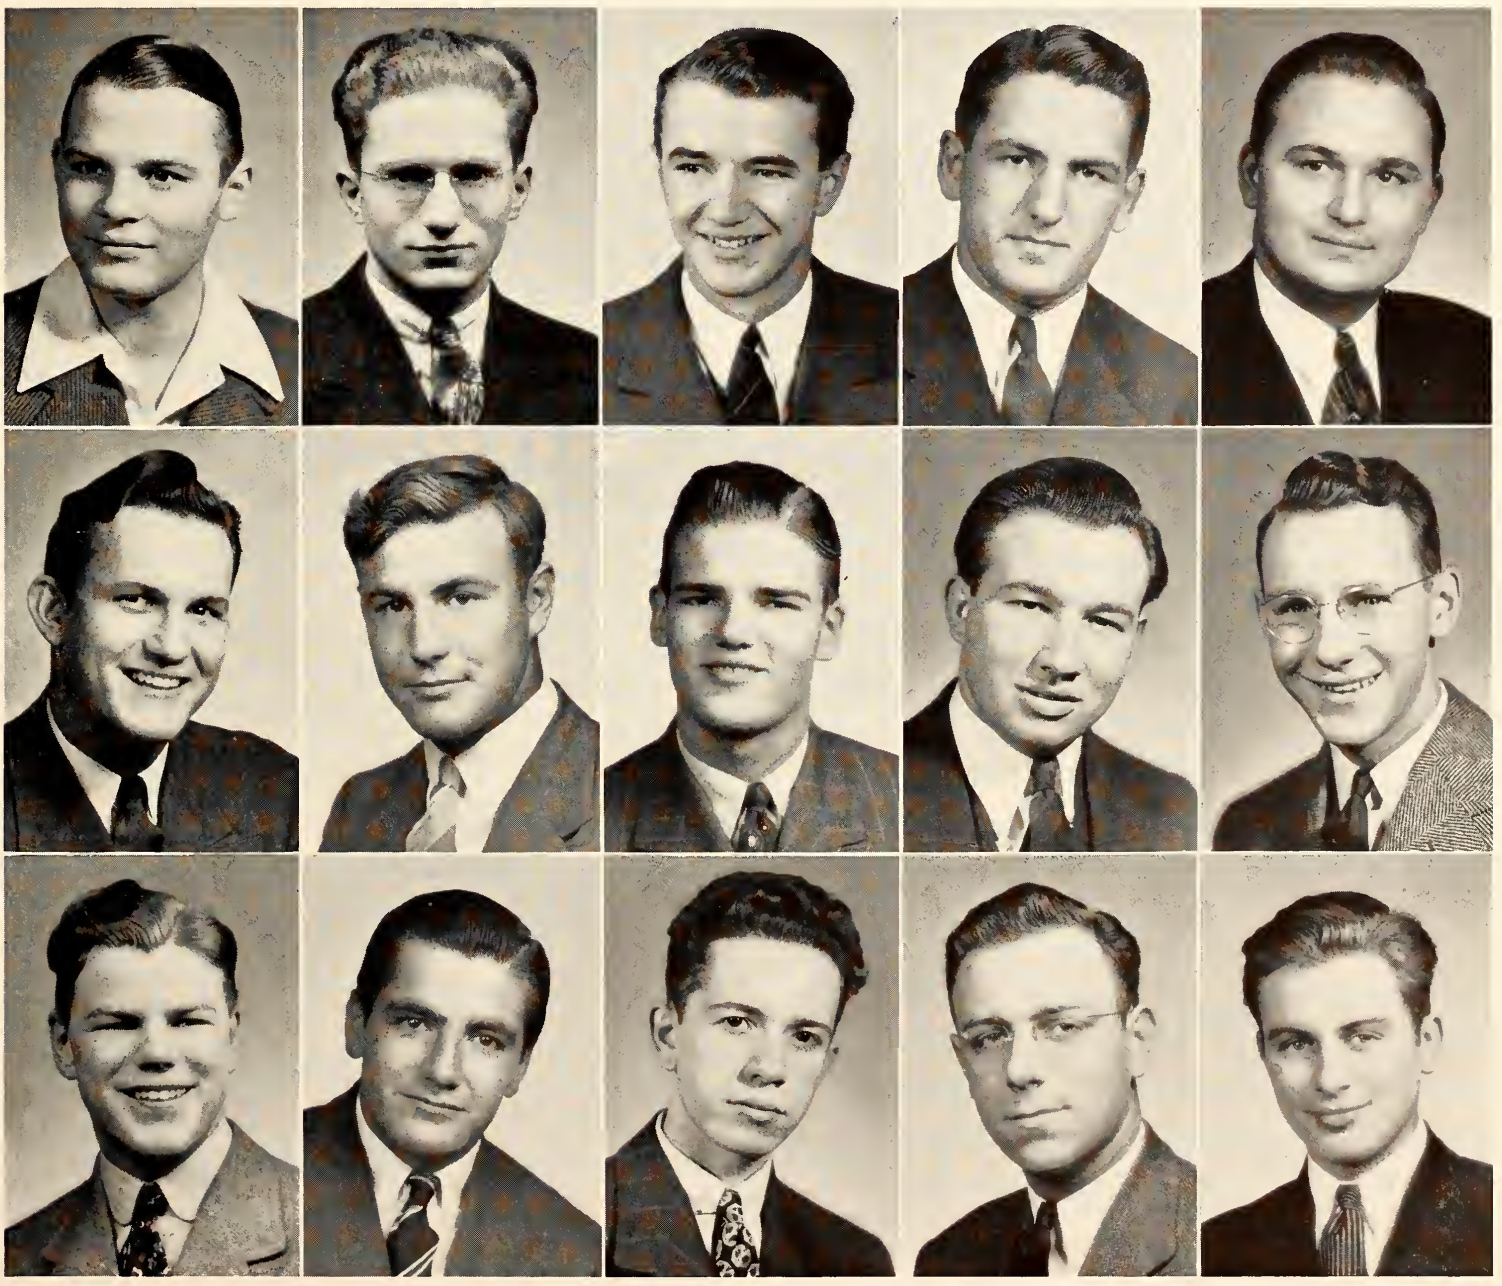
CHI ALPHA

Founded in 1909 at Boston University by Warren A. Cole, Percival Case Morse, and Clyde Kingsley Nichols, students in the law school, Lambda Chi Alpha now has 107 chapters. This number makes it the third largest fraternity in the country with only Sigma Alpha Epsilon and Kappa Sigma larger. The local chapter is a result of Kappa Sigma and Chi Sigma Nu's joining together in 1931 and being chartered by Theta Kappa Nu in 1932. In 1939 Theta Kappa Nu and Lambda Chi Alpha united and took the name of the latter, thus the local chapter of Theta Kappa Nu became a member of Lambda Chi Alpha. Famous national members are LeRoy J. Prinz, Edwin Markin, and Thomas Poulter.



PHI GAMMA

The room of John Templeton McCarty in "Fort Armstrong," a dormitory at Jefferson College, Canonsburg, Pennsylvania, on the night of April 22, 1848 was the time and place of the founding of Phi Gamma Delta. A constitution was adopted on May 1, 1848, which is the fraternity's Founder's Day. The founders were John Templeton McCarty, James Elliot Jr., Daniel Webster Crofts, Samuel Beatty Wilson, Willis Bailey Gregg Jr., and Naaman Fletcher. The fraternity is a member of the famous "Jefferson Duo." There are now 73 active chapters with 38,000 alumni. The local organization, "Sigma Society," was chartered as the Sigma chapter of Phi Gamma Delta in 1884. Well known "Fijis" include Newton D. Baker, Rockwell Kent, Lloyd C. Douglas, and Christy Mathewson.

OHIO BETA CHAPTER

The Phi Psis in '41

Celebrating its 75th anniversary, Ohio Beta is the oldest Greek letter organization on this campus . . . Hold your breath now, here it goes—Pre-med men Martin, Orebaugh, and Finkel have Beta Beta Beta, and Theta Chi Delta in common . . . The four shifters are Chesrown, Martin, Orebaugh, & Berg . . . K. B.'s gray convertible usually has “Evie” in the front seat . . . The Baby Brawl was another big success this year, as were the smokers, after-game-dances, pledge dance, Christmas and Spring formals, and Sweetheart Dinner. Two Phi Psi's are among Wittenberg's Who's Who in the persons of “prexy” “Ches” and “Bungy” . . . Blue Key president, Chesrown (again) and Boost “W” “prexy” Orebaugh—well, we might as well end it by saying that they are B.M.O.C.'s . . . The baseball team missed “Spike” Reusswig mid-season. The Ward Street Boys are holders of the Sing Cup for '40 . . . Merman Slevin gave his pin away . . . Varsity football men who saw action are Lizza (“with a long A”). Rossi, and Gray . . . Whoops, there goes Schroeder late to his 7:45 again . . . Who'll ever forget Berg? In April the chapter was host to the 20th District Council . . . Bradley and Upton look promising in the pledge class . . . we're gonna miss their outstanding 4 year men.

KAPPA PSI

Charles P. T. Moore and William H. Letterman founded the Phi Kappa Psi fraternity at Jefferson College on February 19, 1852. It is the second member of the "Jefferson Duo." The national organization has 51 active chapters and 29,000 alumni. Dr. John O. Davey founded the Ohio Beta chapter on May 14, 1866. Phi Psi is the oldest fraternity on the campus. A former chapter of Phi Delta Theta located here died—thus giving the Phi Psi's this distinction. Woodrow Wilson, John W. Davis, Ford Frick, Walter Hampton, James Whitcomb Riley, and Charles "Buddy" Rogers are a few illustrious men in Phi Kappa Psi.

PHI MU

Phi Mu Delta was founded March 1, 1918. It grew out of the national organization of the Commons Clubs, which was founded at Wesleyan University in Middletown, Connecticut, in 1899. Mu Delta, local chapter, was chartered by the national fraternity in 1930. It was formerly the local, Pi Theta Pi. The local chapter in the past has sponsored a foreign exchange scholarship with Germany, but, of course, the plan has been temporarily discontinued.

The Phi Mus in '41

Phi Mu's walked off with the Homecoming cup this year, using the front porch as an air raid shelter . . . Earl Fisher, new basketball flash, passed the 200 mark this year . . . Indiana's Marvin "Hoiman" Gropp was also varsity loopman . . . speaking of basketball, the Phi Mus are prominent on the freshman squad, for example—Seiders and Cain . . . Consequently the basketball cup now rests on their mantel . . . "Prexy" Scott's pin rest on Alpha Xi Wills . . . Activity man Bill Miller, among other things, served as secretary of Boost "W" and V.-Pres. of Y.M.C.A. Don Nouse, president-elect of sophomore class and intramural referee, went political in a big way last fall . . . This group celebrated 11 years on the campus in March . . . charter members include Dr. Schwarzbek and Mr. Parchen . . . Phi Mus representative on the gridiron was Don Whitacre . . . Rentfrow is now a field scout for W'berg . . . most representative Wittenbergers include two Phi Mus; Seiders of the freshmen and Fisher, a sophomore . . . Phi Mu Alpha Sinfonia claims "Scotty," as does Shifters . . . Lentz looks like good material for the Mermen . . . on 1941's social calendar were after-basketball-game dances, vic dances, and Formals . . . Keep your eyes on the Buck Creek boys . . . They're going places.

Brother Vlad, of the band and Phi Eta Sigma, is headed for the Sem via Gettysburg now . . . The Pi K. A. hayride to Lind's is a never to be forgotten thing . . . "Hank" Gulmi, "Singleton-track" as to mind, keeps things lively . . . He's an intramural manager, and the German honorary claims him as does Boost "W" . . . Newly married G. O. Balsley, talks the people of Cleveland into coming to Wittenberg . . . Ben Palmer-ball responded to the army bugle-call, leaving his pin behind at the Gamma Phi house . . . Pre-sem La Fontaine is active in L.S.A. and the "Y" . . . and a champion of "slanguage" misuse . . . K.G. Lind and P. R. Brees are Pi Kaps on the Faculty . . . Their big Founder's Day banquet was March 8, celebrating 15 years . . . At beginning of the year all but one member had pins out . . . Group is gaining in strength again . . . Will move into a new house next year.

Pi Kappa Alpha was founded at the University of Virginia on the night of March 1, 1868 by Messers. Taylor, Wood, Sclater, Tazewell, and Howard. Three of these men had attended Virginia Military Institute. The fraternity was founded by these men to insure the lasting friendship created during the Civil War by soldiers of the Confederate army. Now comprising 80 active chapters, the national organization has 25,000 alumni. The local organization is the Gamma Zeta chapter. Two of their famous members are Oscar Underwood and Lynn Waldorf.

The Dorm League first appeared on the campus in 1906 and until 1928 was a strong organization for independent men. In 1928 the members voted to join a national association, hence the group eventually became the local chapter of Phi Mu Delta. In 1933 a need was again felt for an organization of the original type, consequently the old Dorm League was reorganized. Since then it has continued to function effectively and is recognized as a leading social group on the campus. The purpose of the Dorm League is to promote the cause of the independent men of the campus. It desires to make Myers Hall a better place in which to live—to make it a home.

The Dorm Leaguers in '41

The Dorm League took first place in intramural football this year . . . Dennis Smith is Vice-President of D. L. and of the senior class . . . ALPHA DELTA

The year 1941 marks the 90th anniversary of the founding of Alpha Delta Pi at Wesleyan Women's College, Macon, Georgia. The Adelphian Society, as the sorority was first called, existed for 53 years until the name was changed to Alpha Delta Phi. Because of a confusion with the fraternity, Alpha Delta Phi, the name was changed again in 1913 to Alpha Delta Pi. Gamma Beta Gamma was founded on this campus as a local on March 4, 1913 and on November 20, 1931 the chapter became Chi of Alpha Delta Pi. The national sorority now is composed of 60 active chapters. Harriet Elliott, only member of the National Defense Council; Louise Coe, State Senator for New Mexico; Betty Frye Leach, poet; and Florence George from this chapter, a movie actress and radio singer, are some of their outstanding alumnae.

XI DELTA

Through a policy of slow but continuous expansion Alpha Xi Delta has grown until today it comprises 53 chapters throughout the country. The sorority was founded on April 17, 1893 at Lombard College, Galesburg, Illinois. In 1903 the second local sorority, Sigma Pi, was started on Wittenberg's campus by seven women. This local group was chartered as the Zeta chapter of Alpha Xi Delta in 1904, thus becoming the first national sorority at Wittenberg. Some famous Alpha Xi Deltas are Pat Friday, radio singer; Dr. Bessie Pierce, noted historian; Virginia Scott Miner, poetess; and Maxine Davis, journalist, writer, and economic commentator. One of the worthy projects of the sorority is the sponsoring of a missionary station at Carasonne, Kentucky.

BETA PHI

Beta Phi Alpha was organized on May 8, 1909 at the University of California in Berkeley, California under the name, Bide-a-wee, which after a few months was changed to Aldebaran. In 1919 the name was again changed to Kappa Phi Alpha, but when the movement for expansion was started, it became known as Beta Phi Alpha. Mary Gordon Holway, Pi Beta Phi, one of the collegiate alumnae in Berkeley, acted as advisor to the six founders, Edith Harriman Scott, Ida Rinn, Elsa Ludeke, Anna Nelson, Hattie Paul, and Lydia Maude Taylor. Chi Delta Omega, the local chapter, was founded on March 5, 1923 by seven Wittenbergers; it became the Omega chapter of Beta Phi Alpha on February 28, 1931.

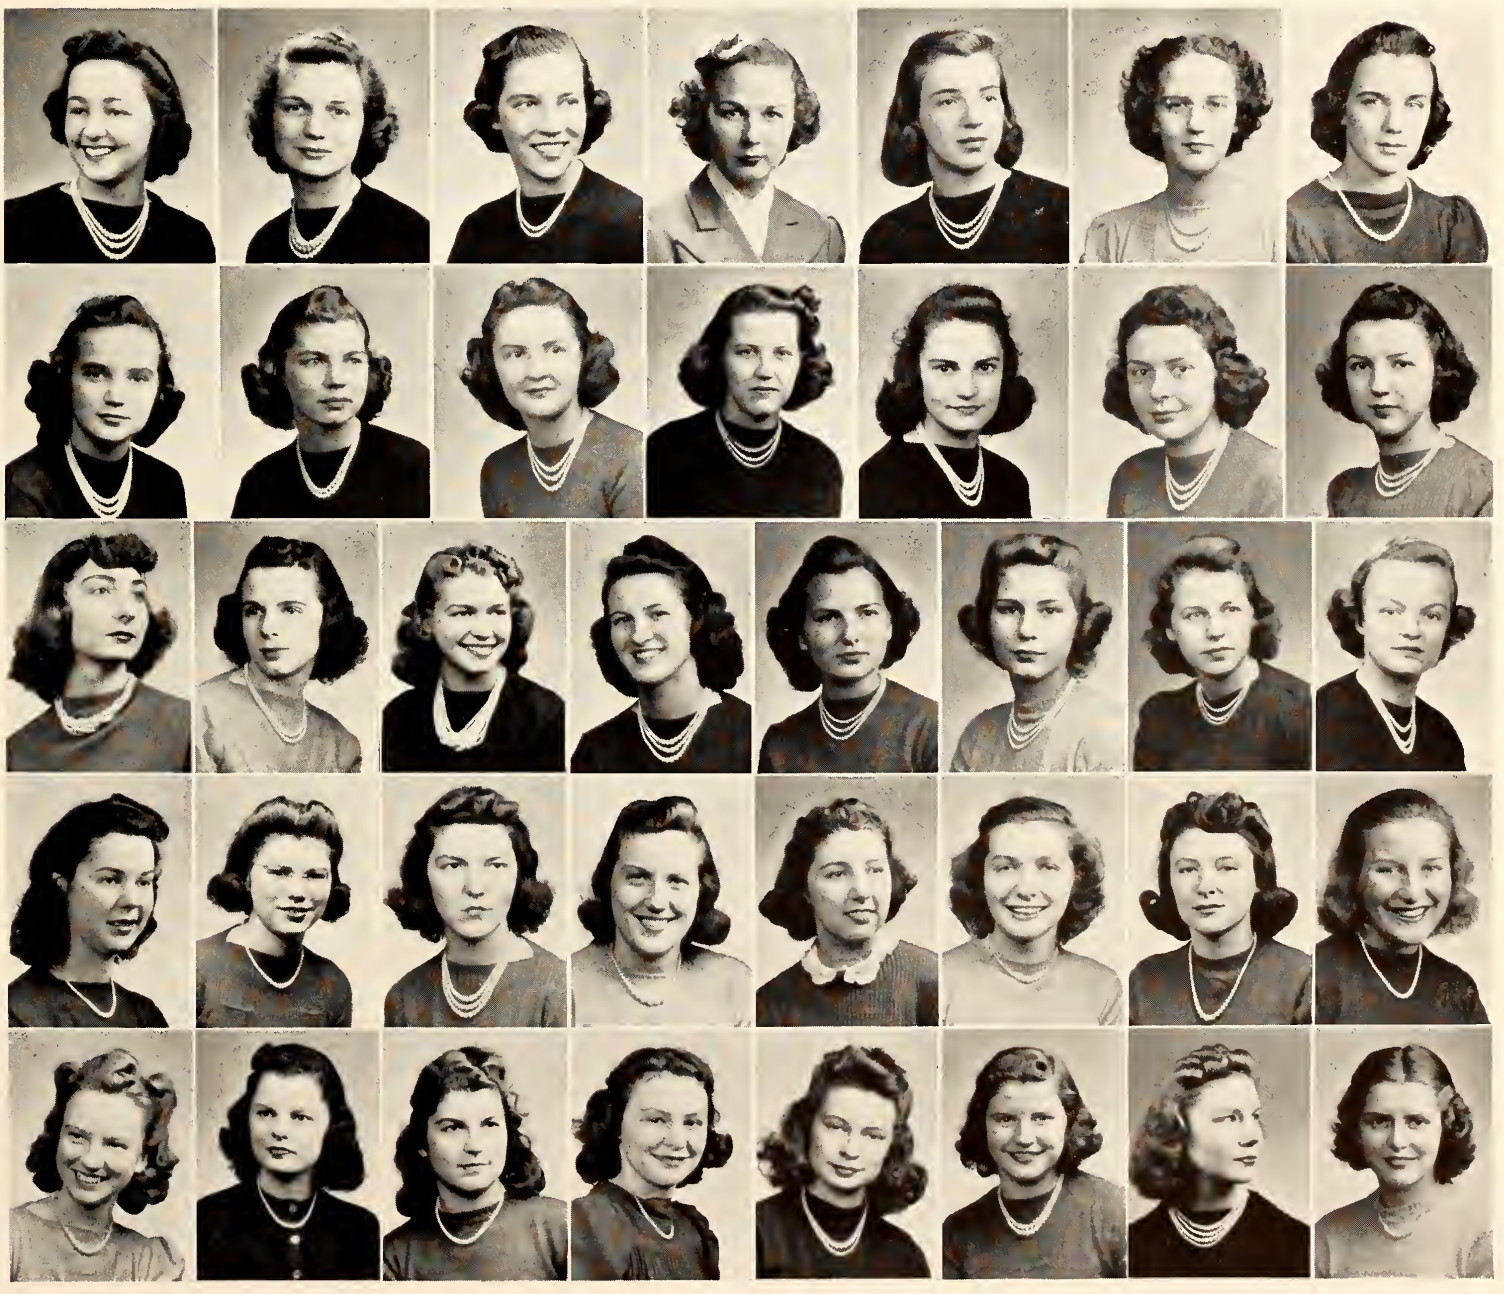
Chi Omega made its appearance on Wittenberg's campus in 1924 when Kappa Phi Sigma became the Tau Gamma chapter. Today it is one of the 97 chapters of Chi Omega which covers 41 states and has approximately 30,000 members. The sorority was organized at the University of Arkansas, April 5, 1895, by Ina May Boles, Jobelle Holcomb, Alice Carey Simonds, and Jeanne Marie Vincenheller. Dr. Charles Richardson, Kappa Sigma, was made the sole honorary member for his assistance in planning the organization. The local chapter each year presents a $25.00 prize to the woman student writing the best essay in the field of Sociology. Prominent Chi Omegas are Josephine Antoine, Mrs. Kaltenborn, Irene Wicker, and Elizabeth Dyer. Campus professors in the sorority are Miss Dorothy Blotner and Miss Eva Coons.



GAMMA PHI

On November 11, 1874 at Syracuse University Gamma Phi Beta was founded by Helen M. Dodge, Francis E. Haven, E. Adelaine Curtis, and Mary A. Bingham. The sorority is one of the six national sororities which founded the National Pan-Hellenic Congress. Another claim of the Gamma Phi's is that their sorority was the first women's Greek-letter organization to use the term "sorority." The local chapter, Alpha Nu, entertains twenty underprivileged children at a Christmas party each year. Each year the "most valuable sister" and the member who has the highest scholarship quotient is rewarded by the sorority. President Woodrow Wilson's two daughters, as well as, Charlotte Kellogg, only woman member of the Belgian Relief Commission of 1918 are Gamma Phi's.

DELTA

Kappa Delta sorority was founded on October 23, 1897 at Virginia State Normal by Leonora Ashmore Blackiston, Mary Sparks Hendricks, Julia Tyler Wilson, and Sara Turner White. With 70 college chapters and 108 alumnae associations Kappa Delta is the fourth largest sorority in the United States. The Crippled Children's Hospital in Richmond, Virginia is sponsored by the sorority as a national philanthropy. Many other funds have been established for aiding students and the individual chapters. In October 1927, 63 members of Theta Gamma Rho, a local chapter, became charter members of the Alpha Nu chapter of Kappa Delta. Some famous Kappa Deltas are Georgia O'keefe, Helen Claire, Pearl Buck, and Hildegarde Fillmore. Kappa Deltas on the faculty are Miss Ruth Helsel and Miss Rose Cadwgan.

The Wigs in '41

Organized this year for the independent girls . . . President Mary Jean Leedy has music as her chief avocation . . . she sings in two choirs . . . Margit Blochova has established herself on campus as an athlete par excellence . . . Elna Adlerbert, the beautiful Swede, is another newcomer, but we hope she stays . . . Nedra Daley, pinned to Dils, is the pride and joy of the Wigs . . . Ada Margret is super, super as soloist for the college choir . . . Eleu Miller listened a lot to Templeton's records and made her mark in psychology . . . Rhoda Knudten, of Japan, lends her soprano to the choir and women's quartet . . . Flick, all in white, did a lot of bandaging up of wounds . . . red-haired Emma, song leader, is the Wig's contribution to the Wittenberger beauty section . . . Elinore Wackernagel writes, writes, and a' writes . . . secretary Betty Dils plays the squeeze-box and "monkies" periodically with the switch-board . . . Janet Harris made the feature attraction column for the Torch . . . Edna was a strong one in Theta Chi Delta as well as in the orchestra . . . although newest on the campus, we'll stake our claim on them.

THE PURPOSE

1. To stimulate college spirit.
2. To encourage academic, athletic, and cultural achievement among independent girls.

The Wittenberg Independent Girls, Wigs, is the most recently organized group on the campus. The faculty approved the organization on December 10, 1940. Any Wittenberg girl is eligible for membership who is unaffiliated with a social sorority and who acquaints herself with the aims and purposes of the organization. Freshman women are associate members until the second semester. This year 76 charter members participated in the activities of the organization. Each year there will be two faculty members elected to sponsor the group. This year they were Miss Florine Logue and Mrs. J. B. Ham. We take our hats off to an organization which should have been organized many years ago and wish them success in the future.

The campus home of most of the independent women and the freshman women at Wittenberg, Ferncliff Hall, is a cheerful and comfortable "dorm" in which to live. The Hall is a composite of three structures: the old Wittenberg Academy, now called the "old part"; a brick structure built in 1884, or that part of the building where the entrance is; and a later addition of 1914, the new South wing. A sister dormitory, Woodlawn Hall, houses the overflow from Ferncliff. The women in Woodlawn Hall take their meals at Ferncliff and participate in the social activities of the latter. All freshman women must live in one or the other of these "dorms" their entire year so that each will become acquainted with all the women in her class.

The "Dorm" Women in '41

One of the two girls' dormitories at Wittenberg . . . Alpha Xi's Flora Miller is house council president . . . Mrs. Mabel Winans in her capacity as housemother keeps things running smoothly . . . efficient dietitian is Dorothy Blotner . . . impromptu parties are always going on all over the "Dorm" . . . the "Rec" room is a favorite place for them . . . and the lounge for meeting people . . . one of the nicest things about Ferncliff is the Christmas program and dinner each year . . . a general stampede and the question "Did I get any?" occurs each morning when the mail arrives . . . without the full-length mirror on the second floor most of the girls would be lost . . . spreads are the result of the arrival of packages and laundry cases . . . the infirmary is a well-known location . . . try to find a time when the "Dorm" is completely quiet . . . you can't . . . it's a swell place though, and we'll be happy to get back next year.

THANKS A MILLION

to you who have made this book what it is. Without your cooperation, suggestions, and support these pages would still be blank.

Our appreciation of the work accomplished by Mary Chambers and Dave Bremer, the assistant editors; Bob Brickley, photography editor; Norman Foster, sports editor; Robert Boger, activities editor; Charles Wilcox, literary editor; and Matthew Portz, art editor; as well as the supporting staffs can best be exemplified by the fact that their contributions will be permanently recorded herein. We are grateful, too, for the vivid writeups of Janice Jones and Elinore Wackernagel, the typing of Betty Fisher and Laviora Yoder, and the efforts of Bert Faris, Bill Renner, and Ben Edwards.

Because of the superb work of "Hal" Mann and the Repro Engraving Company as well as the contributions of Carl Shellhouse and the Oxford Printing Company, this Wittenberger is one which you will enjoy.

Our deep appreciation to all who gave of their time and energy in the publication of our 1941 Wittenberger.

We sincerely hope that our '41 Wittenberger will be an unending source of pleasure for you as the years pass.

FOR WITTENBERG

Students in the spring of 1941 were permitted to look with some awe upon the inter-allied forces which were mobilized to make successful the campaign for $1,200,000.

Some students submitted their talents and were thus permitted to participate in this great campaign to lift the indebtedness and to increase the endowment of Wittenberg College.

They heard the call that went out to Wittenberg's army of supporters to rally and to remedy the financial situation. They reveled in the response.

What was the response?

Wittenbergers responded with the same eagerness as they always will when the college is in an hour of need. The church is aroused. The alumni are organized. Great gifts have been made, and in May of 1941 the outlook for victory is promising.

It's great for a student to realize that he is part of a college where alumni loyalty is known and is active, where thousands upon thousands of other supporters know and love and support Wittenberg.

THE OTHER SIDE

A happy couple, eh? (Ilo Miller, Ed Gangware)
What's this, a Christmas party at the Delta Sig house?
Too bad we didn't have enough room to show the fishin' worm you were working on, Sam. (Sam Sachs)
Kinda comfy, all curled up in the H.P.E. Building. (Jan Jones)

Product Improvement Is In The Air

Suppose you had gone to sleep thirty years ago and had just "come to" yesterday. Imagine your bewilderment—floating palaces, drifting across the sky at 250 miles an hour—conversation from the other side of the world, coming out of a box—sparkling white cabinets making ice, right in the kitchen—self-flipping electric toasters—a little gadget upstairs, running the weather for you—cool, comfortable rooms, with one hundred and five in the shade outside—vacuum cleaners, electric egg-beaters, food-mixers, washing machines and razors!

What a day in which to work and live!

Graduates With Honors

Graduates and under-grads alike, follow the lead of well dressed men and choose Palm Beach for their summer wardrobe. They know the old saying that Cloths make the Man, and they're keeping cool, well pressed and well dressed in whites for dates, and town colors for their "start in the business world." Palm Beach suits are combortably cool, comfortably fitted and easy on the budget—they're the college man's suit!
